

OLPH WOMEN'S CLUB

The Abington 2017-2018

The OLPH Women's Club Guilds hold regularly scheduled parties for the residents of Abington in Glenview.

By volunteering for this service you help make a nursing home resident's day a little brighter. What little we can do to make them smile and feel appreciated is the reason we participate.

THE ABINGTON
3901 GLENVIEW ROAD
Activities Director: Olga
Phone: 847-729-0000

Event Time: 2:30-3:30 p.m.
Contact should be made one month before the party
Parties are held on Fridays **
Attendees are usually 20-30 residents. Plan to have 2-3 volunteers

** If you need to schedule a date or time change, you must call Olga two weeks before the party month. (i.e. original party is scheduled for September 14; you would need to contact Olga on August 17.) The Abington prints up a monthly calendar the last week of the month for the following month.

ENTERTAINMENT PARTY

When you call Olga, ask how many residents are attending and let her know what the entertainment plans are. The party is STRICTLY entertainment. NO food or drink is required as the facility has a Friday Happy Hour right after your event. The party will be held in the main dining room and can be set up as needed. There is a piano available and a microphone. Think ahead to plan something fun and exciting for the residents.
