

OLPH WOMEN'S CLUB

Glenview Terrace 2017-2018

The OLPH Women's Club Guilds hold regularly scheduled parties for the residents of the Glenview Terrace.

By volunteering for this service you help make a nursing home resident's day a little brighter. What little we can do to make them smile and feel appreciated is the reason we participate.

GLENVIEW TERRACE
1511 GREENWOOD ROAD
Activities Director: Valsa
Phone: 847-729-9090

Event Time: 2:00-3:00 p.m.

Contact should be made one month before the party

Parties are held on Wednesdays***

Attendees are usually between 30-35 residents. Plan to have 3-4 volunteers

***If you need to schedule a date or time change, you must call Valsa a week before the party month. (i.e. original party date is September 17, you would need to contact Valsa on August 24). Glenview Terrace prints up a calendar that is distributed to each resident the first day of every month.

FOOD DEMONSTRATION PARTY

When you call Valsa, ask her how many residents are attending. The party is a food preparation demonstration. Ideas such as making easy no cook appetizers, mixed fruit salad preparation, assembling banana splits, making tea sandwiches or preparing party punches, etc are all great ideas. Please NO hot items. The party will be held in the second floor dining room. Make sure you bring any necessary kitchen items and tools you will need for your demonstration. Make sure you have enough food to prepare something for all the attendees. If your item is food, please bring a small beverage to serve, if you are making a punch, please make sure you bring a small food item to serve*. Plan ahead for something fun and delicious.

*Serving size should be thought of in terms of a "child's serving portion". All food must be prepackaged. No homemade food is allowed.
