seek, share, rejoice - pastor's letter...

Jerry Boland, Pastor

Dear Parishioners,

"the Kingdom of heaven can be likened to"

The gospels during these summer weeks are focused on Jesus' parables. This was a teaching method popular with preachers at the time. The Hebrew scriptures were full of parables that in the Jewish tradition were called, "mashalim", simple stories to illustrate a deeper truth.

Jesus was a master at taking simple, ordinary examples and leading his listeners to an often surprising and profound conclusion.

Today we are treated to several of his parables that assure us that God is at work in the world. Amid the difficulties and challenges we face, the God of Life is calling us to mercy, generosity, and a sense of the sacred.

The Lord calls us to name the evil that can so easily seize us and lean into the light of hope and compassion. Considering the current pandemic, we can all be on edge, quick to criticize. Impatience can get the best of us because our routines and expectations have been so disrupted. We can easily be convinced that our take on things is the only way.

Let us let the power of the parables form us! As the Lord instructs in this weekend's gospel, "the righteous will shine like the sun".

I am pleased to announce the appointment of our new Director of Religious Education. **Margaret Waldron** comes to us from St. Athanasius Parish in Evanston where she has served for many years as the DRE. She brings a wealth of experience. She has an MBA and a Masters in Pastoral Studies from Loyola University. She completed the Certification in Lay Ecclesial Ministry from the University of St. Mary of the Lake. Margaret is a hands-on leader with extensive experience in religious education, faith formation and catechist formation. She is well versed in e-learning and family centered faith formation. Welcome Margaret! She will begin on July 27th.

We continue to hold in our prayers the repose of the soul of **Cherie DiCesare** who led our program for many years. I want to thank **Randy McGraw** who served as our Interim Director. I will be forever grateful to our Religious Education Board that held the program together during these months of transition. Thank you to our catechists and parents who went above and beyond to support the faith formation of our children.

I want to assure Religious Education parents of First Communicants and Confirmation candidates that we will soon be celebrating these sacraments in the coming weeks. Someone asked me when would confirmation be? Because of social distancing and occupancy limits we will be celebrating 18 separate liturgies in the Church to accommodate all our First Communicants and Confirmandi.

Our reopening process continues to move forward. We have expanded the occupancy for liturgies from 50 to 82. The drive-in Masses have been great. We had over 300 participate last Saturday. We had adoration this past Friday and hope to include Benediction next Friday. We are hoping to add a Sunday mass in the Playdium that could accommodate well over 100 people. We are slowly getting there. Thank you for your patience and support. As you can imagine, the process is more complicated than it might seem. I will not compromise in doing the very best to keep us all safe. We keep learning how to do this more effectively after each liturgy.

Thank you for all your efforts to continue to financially support us at this time when the regular ways of contributing have been disrupted. We are experiencing a decline in our weekly giving and all fundraising came to a standstill since mid-March. There is an article in the bulletin on the PPP program that allowed us to keep our 130 employees without having to furlough or lay off anyone. This program has stabilized our ability to pay our salaries amid declines in our income as a result of the pandemic. We will do everything possible to support our mission during these unprecedented times.

May your week be blessed!

Parish Reopening News

a lot happening!

In coordination with the Archdiocese, we are continuing to seek out ways that will allow our parishioners to celebrate their faith here on the campus of OLPH. It has taken a lot of creativity and teamwork among staff and volunteers to make this happen. We thank the efforts of all involved for their dedication to our parish.

Here are the most recent developments:

Adoration begins this Friday, July 17

Adoration begins Friday from 3:00pm - 6:00pm in the church. Please enter from the Church St. doors.

We hope to expand the hours for Adoration next Friday. Please see the daily eblasts and next week's Bulletin for updates.

Saturday 5:00 pm Drive-in Mass will continue

Our Drive-In Masses have been extremely popular and so they will continue through August and possibly into the autumn. Please note that logistically it has not been possible for us to livestream the Drive-In Mass. The only way to experience it is to attend in person.

We can accept up to 160 car reservations. We are counting cars not the number of people attending. Unless you are bringing more than one car, please do not change the number in the Quantity field for the Saturday Masses.

You must remain in your car and you will be able to hear the mass on your car radio. The Mass will be celebrated on the porch of the Ministry Center, rain or shine. You will be able to receive communion.

9:30 am Sunday Mass in the Playdium begins July 26

Starting Sunday, July 26, there will be three Sunday morning Masses:

- 9:30 am in the Church; max attendance: 82
- 9:30 am in the Playdium; max attendance: 140
- 11:30 am in the Church; max attendance: 82

Please note that we will be able to accommodate 140 people in the Playdium. Chairs will be set up six feet apart for proper social distancing. However, families will be allowed to sit together.

Sign-Up Genius

The Sign Up Genius link for all Masses is being sent out in our Daily Eblasts. For those who do not have access to a computer, contact the parish office, at 847-729-1525, for assistance.

R.E. First Communion and Confirmation

We appreciate how difficult it has been for R.E. children and families who have not been able to celebrate the sacraments of First Communion and Confirmation. The reopening process has been complicated and up until now, we have been unable to put a schedule in place. We can now begin the planning process.

With about 90 children in both programs this is a daunting task given the severe seating restrictions in the Church. We can only have 82 people, which translates to eight candidates plus nine guests.

This means 18 separate celebrations!

Dates/times will be announced soon. All celebrations will take place in August and September. Families will sign up for their preferred date. Fr. Boland will have to preside at all of the Confirmations since only the pastors have been delegated to confirm.

Please watch the Bulletin and the daily eblast for sign up information. It will be available very soon.

Volunteers Needed!

We have formed a Greeter/Usher Committee to help with Reopening Our Church.

The Greeter/Usher welcomes the parishioners and guests into the Church, makes sure that they are wearing a face mask, squirts sanitizer into their hands, and leads them to a spot in the church marked with a sign, "Please Sit Here." These signs are socially distanced six feet apart.

We are in need of some helpers for Mon-Fri 8:30 am Mass, Sat. 5:00 pm Drive-in Mass; and Sun. Masses at 9:30 am and 11:30am,

We also need Greeters/Ushers for Funerals (Mon -Sat, usually at 10:00 am); Weddings (Sat at 1:00 pm or 3:00 pm), Baptisms (Sun at 2:00 pm or 3:30 pm) and Reconciliation (Sat 4 pm)

If you are interested in helping, please contact **Laura Kearney** at 847-729-2936 or lkearney@olphglenview.org. Thank you very much.

Special Online Mass to honor medical personal

Mundelein Seminary will stream a special online Mass on Sun., July 19 at 1 p.m. honoring the medical personnel who are heroically responding to the COVID-19 pandemic.

Fr. John Kartje will celebrate the Mass and **Msgr. Michael Boland** will deliver the homily. This Mass is an opportunity to pray for all those who have died, their families and the medical first-responders who are putting their own health at risk to help others. Register online at <https://usml.edu/event/medical-personnel-mass/> to receive a link to the Mass video stream on July 19.

The St. Sabina Academy Benefit which was postponed in March has been rescheduled for Sat., Oct. 3, at St. Sabina Academy.

This is a most important event for the school and the families who have been adversely affected by the recent crises.

The mission of the school is to provide each child who attends St. Sabina Academy with a high quality catholic education in a safe and nurturing environment.

As in the past, the primary fund raising efforts for this benefit are the sponsorships, auction items, and raffle.

The community of St. Sabina is thankful for your past support and hope you can join them in supporting this year's event.

seek, share, rejoice - paycheck protection program...

There has been interest among parishioners about the government's **Paycheck Protection Program** as it relates to the Archdiocese of Chicago and specifically to OLPH. Please check out the Q & A below for answers to some commonly asked questions.

Why is our parish receiving CARES Act loans through the Paycheck Protection Program?

Our parish has experienced a significant decrease in operating income resulting from the absence of regular offertory contributions due to the suspension of weekend Masses and public liturgies. Additionally, our parish has experienced financial losses from the absence of an Easter collection, which provides an important part of our overall annual offertory. Our parish has also had to cancel a number of fundraising events which contribute monetary support to our budget each year. In fact, the pandemic hit the week before the night of our annual St. Patrick's Day party, which then had to be cancelled, and of course every event since then has been cancelled. As we move closer to Fall, so many of our favorite parish celebrations are typically scheduled and our ability to hold these future fundraising events is also in doubt.

The uncertainty related to the economic situation of our parish made the Paycheck Protection Program (PPP) loan necessary for the ongoing operations of our parish. In accordance with the provisions of the CARES Act, our parish had to use the PPP funds to pay for payroll and utility expenses only.

With public Masses suspended, what has been the financial impact on our parish?

Sunday offertory is \$7000 below the weekly average since March 15. Because our parish already operates on thin margins, any reduction in offertory is significant and negatively impacts our ability to meet payroll. Please note that our parish employs about 120 people, including parish staff, teachers, and maintenance staff.

What services is our parish providing during this time?

Our parish employees are providing a significant number of services and resources during this time, including but not limited to:

- Providing livestreamed Masses and liturgies;
- Celebrating outdoor "Drive-In" Saturday Masses;
- Eblasting updated information on a daily basis to subscribers of our newsletter, as well posting updates on Facebook and other social media;
- Facilitating virtual prayer groups and faith formation opportunities online;
- Conducting outreach to parish families and senior citizens, such as hosting/collecting food drives, providing emotional and spiritual support, ensuring that the most vulnerable have access to vital resources; and
- Educating more than 850 students in our school and 600 students in our religious education program.

Why is our Catholic school receiving CARES Act loans through the Paycheck Protection Program (PPP)?

Most Catholic schools in our system receive subsidies from their parishes to satisfy operational expenses such as payroll because their costs per-student exceed the price of tuition. The decrease in parish offertory contributions resulting from the suspension of public Masses, together with a drop in tuition payments and cancellation of fundraising initiatives as a result of COVID-19, has had a negative impact on our schools' finances.

Til the end of the school year in June, our Catholic school staff and educators continued to work each school day to provide quality online instruction to our students and the PPP loan was necessary to support the payroll needs of our school staff and educators.

Do faith-based organizations such as the parishes and schools of the Archdiocese of Chicago qualify for a Paycheck Protection Program (PPP) loan?

Yes. The CARES Act contained specific provisions which made our parishes and schools eligible for PPP loans. Each parish and school maintains its own budget for staff payroll and operating expenses. Given the current economic uncertainty and long-term negative financial impact of COVID-19, the PPP loan request was necessary to support ongoing operations of our parishes and schools.

Are we using any parish savings?

Yes, parishes have had no choice but to access available savings to address operating expenses. In addition, the Paycheck Protection Program loan was sought because of current economic uncertainty about our ability to satisfy payroll and other operating expenses, as well as the uncertainty surrounding the long-term negative financial impact resulting from decreased offertory and the cancellation of fundraising events.

How much money did our parish receive through the Paycheck Protection Program (PPP) loan?

Based on the rules of the CARES Act, all PPP loan applications are based on a 2.5 month multiple of our average payroll expenses for the previous 12 months, which for our parish equates to \$1.4 million. This money was to be used for payroll and utility expenses only.

ARCHDIOCESE OF CHICAGO

seek, share, rejoice - worship guides, technology update...

NEW for Sunday Mass: Virtual Worship Aides!

We are now providing parishioners with virtual worship aides.

These will be easy to use guides that are formatted exactly like a printed worship aide. You will be able to turn the pages and follow along throughout the Mass. Most importantly, they will enable you to participate in the ceremony.

The link to the worship aide will be provided in the weekend eblasts and on our olphglenview.org website.

Thank you so much to **Margie André** for creating the worship aide with guidance from **Russell Stern**.

Thank you also to **Jim Geldermann** for his expertise in researching and recommending this technology.

Technology Update

Transitioning from pre-recorded to livestreamed Mass

Over the last couple of weeks, under the Reopening plan that we have received from the Archdiocese, we begun to celebrate Mass in our church with a limited number of parishioners in attendance. With this change, we have transitioned from pre-recorded Masses to livestreamed Masses. This transition has resulted in changes in the way we present the Mass online and that has lead to some issues for parishioners in their ability to find the Masses.

Prior to the limited Reopening in June, we pre-recorded the online Masses. They could be viewed from the "Featured Mass" playlist on our YouTube Channel at any time after 6:30 am. The following day the Mass (and the Homily) would be transferred to the "Archived Mass" and "Archived Homily" playlists respectively.

Now that we are livestreaming Mass, the way to view Mass is a little bit different. We livestream one Mass per day. The livestream starts about 15 minutes before Mass time. The 8:30 am weekday Masses normally go live around 8:15 am. The Sunday 9:30 Mass goes live around 9:15. The link to the livestream is sent out in every eblast and it is on the homepage of our website. After the Mass has ended and as soon as we are able, we make the Mass available on the "Featured Mass" playlist. Then, as before, it is available for viewing the next day and thereafter from the "Archived Masses" playlist.

Each Saturday at 5:00 pm throughout the rest of the summer, we will celebrate a "drive-in" Mass. Parishioners who register via Sign-Up Genius can attend Mass in their car and listen to the service on their car radio. Communion will be delivered to each car by our priest and deacons as they walk throughout the parking lot. The radio audio broadcast is available to those cars in attendance.

We appreciate your understanding, patience, and support, as we are striving for continuous improvement in the ways we utilize technology to bring the Mass to you. Our goal is to maintain and, in fact, grow our spiritual community even during these times of pandemic.

Thank you. OLPH Digital Ministry

Fall Religious Education Registration is now open!

Religious Education Registration for the fall of 2020 is here!

With the Covid pandemic, our first priority at OLPH is the health and safety of everyone. OLPH Religious Education will follow public health, government and Archdiocesan recommendations and protocols.

Three new class days

In order to limit the number of students in each class and on the campus at the same time, we offer three additional class days this year. When we know numbers and what families prefer, we will assign classes. (If we do not have enough students for a particular day or time, a second choice may be necessary.) The new Sunday class, between Masses is only 50 minutes long. Those attending Sunday morning classes will meet 30 times instead of 24 and attend a special event each semester.

Appeal for Catechists

With smaller classes and three new days of class, we are in great need for Catechists. Times are Mon., Tue., Wed., 4:30-6:00 pm; Tue. 6:30-8:00 pm; Sat. 9:00-10:30 am; Sun. 8:40-9:30 am; and one Friday evening and Sunday per month for the Gather and Grow program. All grade levels needed. Have your own class or be a team teacher. Young and old welcome to volunteer.

Additional Options for traditional in classroom sessions

Options other than the traditional classroom 24 session classes are Gather and Grow (a family program involving parents and children), e-learning, and Home Schooling. Gather and Grow has its own curriculum. With e-learning and Home Schooling, the curriculum would be the same as the traditional classroom program. Children signed up for e-learning and Home Schooling would be expected to join other students for two activities per semester.

Seventh and Eighth graders are not eligible for e-learning or Home School options as they are preparing for Confirmation and part of the dynamic is sharing the process with their classmates.

Fees remain the same this year

Fees for Religious Education are the same as last year. A limited number of scholarships are available. **Ability to pay should NEVER keep you from enrolling your family in any of the programs.** Please contact the Rel. Ed. Office to discuss scholarships, payment plans and financial issues.

This link will take you to the Registration Page.

Sessions begin Aug. 31 and conclude the week of Nov. 16. Please note that for this session, study groups will meet online only, using Zoom as our platform. We plan to return to our traditional, in-person format for Winter-Spring 2021, when we take up the Gospel of Matthew.

We need your support now more than ever!

As you know, Sunday collections are vital to the health and sustainability of OLPH. We are always so thankful for the generosity of our parishioners. During this difficult time, we ask that you continue to support our church.

With more and more restrictions in our ability to gather together or even leave our homes, it has become imperative that parishioners begin to utilize our GiveCentral online giving portal. We do understand that, up until now, some of us have been reluctant to switch from writing checks to using an online method. We seriously ask you at this time to try GiveCentral.

Accessing our GiveCentral Portal Online

On our website and in most of our eblasts you will see the Give Central Logo depicted here.

This logo will always be a live link to our OLPH GiveCentral homepage. Whenever you see this logo on our website or in an eblast, you will be able to click on it and it will take you directly to our portal.

Accessing our GiveCentral Portal from Your Phone

To access our OLPH GiveCentral homepage from your phone, point your phone camera app at the qr code below. You will simply and easily be able to donate to our Sunday collection directly from your phone.

Or dial our text-to-engage number 570-354-6574 and then text the word "Sunday" to make your gift.

Our GiveCentral Home Page

The image below is a screen shot of our OLPH GiveCentral homepage. To make your regular Sunday donation, click on the "Sunday Giving" icon which has the image of our church on it.

Need assistance?

We want to make this process as simple as we can for everyone.

Have any questions about setting up your online donations through GiveCentral? Don't worry, we can help!

Just contact our **Office Manager Laura Kearney** and she will assist you. Laura can be reached directly at (847) 729-2936 or at lkearney@olphglenview.org

To summarize, we understand that making the change from writing a paper check to making a donation through an online portal may be outside of your comfort level. However, please understand how important it is for the vitality of our church that you give it a try.

If for any reason you still are not comfortable making the switch, we ask that you continue to support our Church in the best way you are able.

Thank you and God bless you all as we work together to get through this national health crisis.

ARCHDIOCESE OF CHICAGO

United States Conference of Catholic Bishops/Justice for Immigrants' Action Alert to the U.S. Senate:

PLEASE PROTECT DACA RECIPIENTS

The U.S Supreme Court (SCOTUS) has ruled on the Deferred Action for Childhood Arrivals (DACA) program. While SCOTUS allowed DACA to continue, the Administration can still attempt to end DACA at a later date. As a result, DACA immigrant youth are safe for now, but could be at risk for deportation in the future. We must not allow this to happen.

Most DACA recipients have spent the majority of their lives in the U.S., many have families, and all of them contribute to American society as taxpayers, consumers, and community members. Additionally, there are 62,000 DACA-eligible healthcare workers involved in the COVID-19 response.

The U.S. House of Representatives passed the American Dream and Promise Act, H.R. 6, one year ago. H.R. 6 would give a path to citizenship for Dreamers. Now, in the wake of SCOTUS' ruling, the U.S. Senate must act in order to protect Dreamers from the risk of deportation and family separation. The USCCB supports the DREAM Act, which includes a path to citizenship, and sent a letter to each Senator asking that they support S. 874, the DREAM Act of 2019. Additionally, USCCB supports efforts to introduce a Senate companion to H.R. 6.

As Catholics, we affirm the inherent dignity of every person. The U.S. Catholic Bishops urge you to express solidarity with Dreamers and ask you to contact your Senators requesting that they support the bipartisan DREAM Act of 2019 and encourage the Senate to introduce a companion bill to H.R. 6, the American Dream and Promise Act.

TAKE ACTION

Urge your U.S. Senators to co-sponsor and support S. 874, the DREAM Act, which would protect Dreamers and provide a path to U.S. citizenship. Also urge your Senators to introduce and co-sponsor a companion bill to H.R. 6, the American Dream and Promise Act.

Please send the following message to your Senators:

Dear Senator,

As a member of the Justice for Immigrants (JFI) coalition of the U.S. Conference of Catholic Bishops, I urge you to co-sponsor and support S. 874, the DREAM Act, a bipartisan bill that would protect Dreamers and provide these immigrants with a path to citizenship. I also ask that you introduce and co-sponsor a companion bill to H.R. 6, the American Dream and Promise Act.

The Catholic Church strongly supports Dreamers and their families. Dreamers are working and contribute \$52 billion annually to our economy. They are a part of our Church and valuable parts of our communities.

Thank for your consideration.

Please take action and others to do so as well.

The time is NOW for you to use your voice to protect DREAMERS!
