### Thoughts on the SUNDAY SCRIPTURES

In Jesus' parable of the Unjust Steward, we encounter a financial manager who has wasted his master's wealth and faces dismissal from his position. To overcome the crisis confronting him, the steward reduces some very considerable debts owed by poor neighbors to his master in order to help them out. Though the steward has sinned against God and his master by squandering what belongs to someone else, both the prudent way in which he goes about resolving the crisis coupled with relieving people who are in need can be seen as a way to better steward the gifts entrusted to us by God. Although good stewards today acknowledge that they may never use their God-given gifts in a way that completely conforms to the demands of the Gospel, a commitment to using their gifts with prudence and for the purpose of helping their neighbors wins God's favor.

Dear Parishioners,

*"The person who is trustworthy in small matters is also trustworthy in great matters."*

We all have a history. We all have a record of victories and defeats, moments that are a source of great pride and others that might cause us to feel shame. The Gospel taken from Luke this weekend speaks to me considering this Centennial Year.

These wisdom sayings from Jesus always speak a truth. We can build on our strengths, our gifts, our blessings. So it can be said of a community of faith, a parish. Over 100 years there are many moments that began to lay a foundation for our parish that we have evolved from. Small steps of building community have led to very large initiatives — in our care for those in need, in our commitment to the education of children, and in our willingness to keep growing spiritually.

In his homily last week, **Cardinal Cupich** described an anniversary of a parish as a time of going back to the basics — how we can all witness the Kingdom of God. He was very impressed with our 100 years of grace initiative as a way for every parishioner to feel part of this moment of acknowledging the ways God is using us to witness his love.

As we begin this Centennial Year, I am so grateful for everyone who helped prepare for this historic celebration. To **Bob Hicks** and the Centennial Committee, what a great effort. **Fr. Nick, Jen Farber** and the liturgy committee prepared a beautiful liturgy. **Terry Luc, Rob Orr** and **Jim Geldermann** did a wonderful job on the communications aspect. We had the liturgy live streamed on You Tube. Five minutes after the liturgy I received a grateful email from parishioner **Bill Casey** who was able to watch the liturgy live from Tokyo! The reception was fantastic, thanks to **Mary Fran Dolan, Beth Ford O'Grady** and several women from the parish. Also, thanks to the Men's Club bartenders. Also, a great job by our choir.

Our maintenance staff was everywhere! The commemoration booklet on our history written by **Lowell and Liz Wallace** will be a treasured keepsake.

This is our third year as a Tolton Teaching Parish through Mundelein Seminary. This weekend we will be hearing from **Michael Lingaur** from the Diocese of Gaylord and **Jesse Hiatt** from the Diocese of Springfield-Cape Girardeau. We are blessed to play a significant role in their priestly formation. This is the weekend of the seminary appeal. Through our First Fruits program we support the appeal.

This weekend, our second collection is to help us catch up on revenues from the offertory that typically fall off in the summer. Thank you for your consideration of helping us "close the gap". We are preparing our end of the fiscal year report and embarking on our annual Planned Offertory Program for later in the Fall.

There was a wonderful moment shortly before the mass last Saturday. The Cardinal blessed our new Hellerman Garden. **Louis and Myrna Hellerman** were there with their family. The garden is just beautiful and has quickly become a place for meditation and prayer.

A feature of the garden will be a sculpture of the Blessed Mother. We are narrowing in on some options. As you might imagine there are many possibilities. It will ultimately be a beautiful place to give honor and praise to our Blessed Mother. It is so important, given that our parish is under the patronage of the Blessed Mother, that we have a fitting image. If you would like to be a patron of the new sculpture, please contact **Jim Dollard** at the parish office for more details.

100 Years of Grace!

## Centennial Challenge

### Creation Care Ministry

Join us for our Centennial Challenge and help cherish our precious Earth!

We are hoping as many parishioners as possible will join us in our vision to:

#### 1. Devote 100 hours to cleaning up our environment!

Details are as follows:

- Techny Basin (near Kohl's on Willow Road) river clean up
- Sunday, October 27, 9 am to 12 pm
- In partnership with the Village of Glenview's Natural Resource Commission
- Second date TBD in Spring

#### 2. Plant 100 trees!

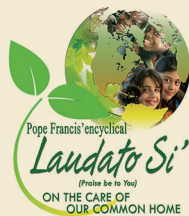

- We encourage parishioners to plant and nurture a sapling or a young tree this fall or spring
- Free saplings are available at the Farmers Market located at Sts. Peter and Paul Greek Orthodox Church, 1401 Wagner Rd., Glenview, 8am -noon
- Help us celebrate and document each tree by taking a photo and texting it to Chris of Creation Care at 312-285-0587.

Please join us in these initiatives to care for our local river and reduce and reverse carbon dioxide in the atmosphere.

The challenge in these critical times is ours. How do we want to respond? In the words of Laudato Si':

*"What kind of world do we want to leave to those who come after us, to children who are now growing up?" (#160).*

We are called to think, pray and act. The responsibility is ours acting together. May God inspire us and bless our joint efforts.

## Sharing Ministry

### Critical Need for Food

Please continue to remember the need when doing your weekly grocery shopping. The pantries we serve collectively work to serve 1000s of needy people. Sr. Paulanne also serves many needy who visit her door through donations received in the sharing room. You make the difference!

### Too Busy to Shop for the Food Drive?

Mail a donation, made out to OLPH Church, indicating Needy Family Fund in the memo line, to:

**Lou Marohn**, 2132 Fir St., Glenview, IL 60025.

Food will be purchased in case lots to maximize your donation.

### Home Furnishings Needed

We are looking for a twin bed frame for a local needy family. Contact **Betty Collins**, [collinsjustbetty@gmail.com](mailto:collinsjustbetty@gmail.com).

### Englewood Families

We are looking for two sets of washers and dryers (gas). Contact **Regina Banks**, [reginaabanks@gmail.com](mailto:reginaabanks@gmail.com) to donate.

### Hygiene Items Needed

We always welcome travel and full-size toiletries, which are much needed and truly a luxury for needy people. The LINK card (food stamps) cannot be used to purchase anything for personal care, soap, shampoo, toothpaste, shaving gear toilet paper, and laundry soap are often out of reach for those less fortunate. Drop your donations off at the sharing room.

### Catholic Charities Needs for the Homeless

There is urgent need for new men's boxers and travel size toothpaste. Donations can be delivered to the Sharing Room.

### Volunteer Opportunity

#### Feed the Homeless

We will be feeding the homeless who visit the Des Plaines Catholic Charities campus on Thu., Sept. 26. We need volunteers to serve the meal and donors to fund this effort. Contact **Kathy Quinn**, [khquinn1944@comcast.net](mailto:khquinn1944@comcast.net) for more information.

## Altar Servers Needed

Is your son or daughter looking to get more involved in the Mass ceremony? Becoming an altar server is a deeply rewarding and spiritual experience.

Any children in grades 4th through 8th who are interested in becoming an Altar Server, please contact **Sally Corbett** at [s.corbett87@gmail.com](mailto:s.corbett87@gmail.com).

Training will be held on Monday and Wednesday afternoons from 3:00 to 4:00 pm in the church, beginning September 30. Limit 6 per session.

## seek, share, rejoice - tolton teaching parish program...

**MUNDELEIN  
SEMINARY**

TOLTON TEACHING PARISH PROGRAM

Dear parishioners,

I'm Father John Kartje and I'm the rector of Mundelein Seminary, where nearly 200 seminarians are being formed to serve as parish priests in the Archdiocese of Chicago and dioceses across the country and around the world. As you hopefully know, your parish has been chosen to participate in the seminary's Tolton Teaching Parish Program, named after Venerable Fr. Augustus Tolton, an extraordinary parish priest during the early years of the Archdiocese of Chicago. The selection of your parish to participate in this program is a testament to the vibrancy of your faith community and its leaders. We know that our seminarians will have a positive experience at your parish and be welcomed into a rich community.

The Teaching Parish Program is at the heart of seminarian formation at Mundelein, and you are a vital partner in this formation. This innovative program immerses our seminarians in parish life throughout their time in seminary. By spending their entire seminary tenure at your parish, they form true bonds with the community and fully invest themselves in its daily life. The seminarians spend time each week learning practical and pastoral skills from your pastor, parish staff, and volunteer committees, as they serve at Masses and parish events. Through it all they gain a better understanding of what it means to shepherd a parish community and "smell like their sheep."

You have a vital role in this program! Please introduce yourself to the seminarians and get to know them personally. Invite them to meet your families or sit down to a cup of coffee and conversation. Encourage them to attend a meeting of a parish group in which you're involved. Ask them questions and share your own faith journey, experiences, joys and challenges. Let them know what qualities you are looking for in your parish priests.

While the Tolton Teaching Parish Program is an essential educational experience, it is also an opportunity for the seminarians to enrich your parish through their presence and spiritual gifts. They are frequently called upon to teach Religious Education and RCIA classes, lead parish Bible studies and small faith-sharing groups, and attend youth and young adult meetings and events. By interacting with your parish community in these ways, they learn to pass on their faith—inspiring vocations in young Catholics and witnessing to hope in the future of the Church.

We are most grateful for your participation in this program. Your support of the seminarians is an essential part of their entire seminary education, and your parish is a true extension of our campus.

Together with you in Christ, we are Mundelein. We form parish priests.

Yours in the heart of Christ,

Very Reverend John Kartje  
Rector/President

### **OLPH Book Club**

At our last meeting on Richard Rohr's book, *The Universal Christ*, some powerful discussion took place. The book was a real eye-opener, which most participants considered to be truly mind-blowing. It raised the ordinary Christian consciousness to a new dimension, and at least opened up new possibilities in our understanding of God's dealings with the human race.

Our next book is a novel many of you will have read. It is James Michener's book "The Source". Like "Hawaii" and many of his other novels he uses history as the backdrop for his novel. In this case it is the history of Israel. Like most of his novels this is a very long read, so for our next meeting on October 14th we will read the first half of the book, up to Level VII, p.451.

All are invited to our discussion, even those who have not read the book. For more information contact **Fr. Paddy** at 847-602-4143.

## Messenger of Peace

Produced by Chiesa Nuova,  
A Franciscan Ministry for Performing Arts

**Messenger of Peace** is the dream of artists who believe the mission of Francis of Assisi is exactly what our contemporary world desperately needs. The darkness of violence and hatred we see around us is exactly what Francis experienced in the 13th century. Reconciliation, though, is possible as seen in this play; ten stories of lives that were radically changed by the Messenger of Peace come to life. Francis brought dignity to all people and leveled boundaries in unprecedented ways from beginning the Christian-Muslim dialogue to finding joy in poverty. The unwanted found love and acceptance, the wealthy relinquished their status and a Church guided by patriarchal power was shown new hope through compassion and inclusion. Francis drew people into the Mystery of God and into the Franciscan movement by his preaching and simplicity of life.

Actor **Luca Tironzelli**, of Perugia, Italy, is the story teller for this 90 minute work. Music will be performed by SatorDuo: **Paolo Castellani**, violin, and **Francesco Di Giandomenico**, guitar, also of Perugia. The script and music by **Friar Robert Hutmacher**, OFM, are enhanced by projected images created for **Messenger of Peace** by **Tim Leeming** of Oak Park, IL.

Fr. Bob Hutmacher OFM

Tickets are \$25 at Eventbrite.com or cash only at the door.
