seek, share, rejoice - pastor's letter...

Jerry Boland, Pastor

Dear Parishioners,

"For where two or three are gathered together in my name, there am I in the midst of them."

The scriptures this weekend remind us that we live in community with Christ at the center. There is a power to this insight as we find ourselves coping with a pandemic that has caused isolation and loneliness.

We gather in many ways, physically and spiritually. The readings remind us that sin and evil do not exist in isolation. Sin impacts us all. Sin wounds our sense of being part of the Body of Christ.

Redemption is possible! The restoration of broken relationships is possible! Reconciliation is possible!

The passage from the Gospel this weekend from Matthew forms the biblical foundation for the sacrament of confession. The Lord has empowered the Church through the ministry of priests to confer the grace of the sacrament. By being absolved, we have restored our relationship with the

Lord and with the larger community. Taking responsibility for the pain or suffering we have caused others leads us to the Lord's redemptive love. Like the Prodigal Son, we are welcomed into the loving embrace of our Father.

Each month we conduct an audit of how we are implementing the reopening protocols for the parish. I am pleased to report that we continue to meet our benchmarks and have achieved the necessary certifications to proceed carefully and safely.

We can now move to the next level of expansion. We can safely increase the occupancy of the Church to 112. We are exploring ways of adding masses. **Margaret Waldron** will be convening a Reopening Task Force for Religious Education. The school has had a very successful first week of reopening.

Key to the success of the reopening of the Church has been the ministry of greeters and ushers. They greet you when you arrive, assist you with hand sanitizer, check off your names and direct you to your seat. Because many of the participants have not been in the church since mid-March, they help orientate everyone to the procedures we must follow during the liturgy. **Laura Kearney** heads this ministry. If you would like to help, please contact her. Given the increasing number of services, we need more folks. Thank you for considering this ministry.

We have had a wonderful relationship with Glenbrook Hospital. The pastoral needs of those who are sick, and their families is of critical concern for the faith community. For many years, **Belinda Chandier** has been the Director of Spiritual Services. She was so committed to bringing comfort to the sick and would always alert us if a Catholic patient needed ministry. She so appreciated the legion of Ministers of Care that brought the Eucharist to Catholic patients. Belinda recently retired and I want to wish her the very best and to express our gratitude for all she did.

The new Director is **Rev. Andrea Johnson**. I welcome her and commit ourselves to the pastoral service of those in need. I will soon be meeting with her. She is very sensitive to the spiritual needs of Catholics. Because of COVID 19, the North Shore Health Care System is not allowing Ministers of Care to visit patients. As priests, we can bring communion to non COVID patients. There are special procedures for appointed and trained priests to anoint COVID patients.

Rev. Johnson made a special request I want to pass on. Since patients can't receive communion, she has realized how comforting Catholics find praying the rosary is during their hospitalization. The hospital recently ran out of rosaries that they have been giving Catholic patients. Could we help supply them with about 200 rosaries?

Sure, we can! If you would like to donate a rosary that could be given to a Glenbrook patient, please drop it off in a special container on the porch of the Parish Center. I will bring the collected rosaries to the Hospital in a few weeks. Thank you! These rosaries will be such a comfort to those who are sick and looking for reassurance.

I recently was speaking with **Esther Behnke** and **Regina Kilroy** about the extraordinary effort our Knit for Life Ministry has undertaken to observe our Centennial. They have knitted hundreds of hats, scarves, blankets and other items for people in need at our Sharing Parishes. Thank you so much!!

Have a blessed week!

Fr. Jerry Boland

Volunteers Needed!

We have formed a Greeter/Usher Committee to help with Reopening Our Church.

The Greeter/Usher welcomes the parishioners and guests into the Church, makes sure that they are wearing a face mask, squirts sanitizer into their hands, and leads them to a spot in the church marked with a sign, "Please Sit Here." These signs are socially distanced six feet apart.

If you are interested in helping, please contact **Laura Kearney** at 847-729-2936 or lkearney@olphglenview.org. Thank you very much.

Centennial Committee Update

Centennial Wrap-Up (Part III)

Our final segment of our three part review on the Centennial year includes an important overdue recognition, special parishioner contributions, and a look to the future.

As the Centennial Committee conducted research for the Commemorative Booklet *1919-2019: 100 years of Grace*, we were fortunate to obtain many historical photographs and documents. These items came from various sources including the Glenview Historical Society, the Archdiocese of Chicago, and OLPH parishioners and former parishioners alike. Among the items was an early photograph of our first pastor, **Fr. Martin C. Schmidt**.

*Our first Pastor,
Martin C. Schmidt*

With the receipt of that image, we were finally able to include Fr. Schmidt's portrait in the west vestibule of the church among the portraits of all our former pastors, a recognition long overdue. The dedication ceremony took place on December 8, 2019 and was recorded by **Rob Orr**, one of 17 parish videos Orr created in relation to our Centennial. All the videos can be accessed from the home page of our website.

Another new image that now adorns the walls of our church is the framed Apostolic Blessing from the Holy Father **Pope Francis**, on the occasion of our Centennial. This framed commemorative document can be found in the South Vestibule.

*The Apostolic Blessing from
Pope Francis*

A hallmark of the yearlong celebration was the involvement of all parishioners, young and old, families and individuals, guilds, ministries, and clubs parish-wide. The 100 Hours of Mercy Program along with the "You Did It To Me" Virtual Retreat inspired everyone to discover their own personal way to contribute. Conceptualized by Centennial Committee member **Jen Farber**, these programs helped people to put love into action.

Putting love into action can be felt in a very real way in the the Hellerman Garden and the statue of our Blessed Mother. Both were made possible by the generosity of parishioners. These will remain the symbols of this special year.

The statue of our Blessed Mother in the Hellerman Garden

Even though the 12 month celebration is coming to an end, there are still things to be done. They include:

- The dedication of our Blessed Mother Mary statue
- The Centennial Room Build-out
- The Bells Installation
- The Centennial Memorial Timecapsule Burial

The Centennial Committee will reactivate at a future date when appropriate and complete these projects.

What is also exciting is the fact that many parishioners continue to embrace the 100 Hours of Mercy/ Centennial Challenge. In today's Bulletin, there already are two new commitments from different groups.

For us as a parish to continue the spirit of the Centennial would be the greatest legacy to leave to the future generations of OLPH. Keep it alive!

We again thank everyone for your support throughout the year and into the future.

Volunteer to Serve Homeless at Catholic Charities/Des Plaines

Catholic Charities continues to feed the needy on Tuesday and Thursday evenings. In lieu of a sit-down dinner, guests are provided a To Go meal. OLPH will be providing this meal on October 15 and November 5 and we are looking for volunteers to help make this happen. Contact Kathy Quinn, khquinn1955@comcast.net if you can participate.

Laptop Needed

One of **Sr. Paulanne's** clients is in need of a fairly up to date laptop (not more than a few years old) so that she will be able to work. Please contact Betty Collins, collinsjustbetty@gamil.com, if you have a unit to donate.

Clothing and Housewares Donations

The Sharing Room remains closed due to Covid. In the past, clothing donations we received were carefully sorted and most donated items were sent to agencies which serve the needy. Higher-end items and items with tags were sent to the Glenview Community Church Resale Shop. This resale shop then gave Sr. Paulanne 50% of the proceeds from OLPH items they were able to sell. Items not sold were donated to Salvation Army. This resale shop sent the balance of their funds to charities which they support; all proceeds effectively benefitting charity.

While the Sharing Room remains closed, consider donating your new or very gently used, in trend, clean items to the Glenview Community Church Resale Shop, *New to You*, located at 1000 Elm St. . They will be open and accepting donations on Wednesdays Fridays and Saturdays between 9 and 1 and on Thursdays from 9 – 5.

Please mark your donations **OLPH**, so that Sr. Paulanne will receive 50% of proceeds for her work with the needy. Wear a mask and observe social distancing during donation drop off or shopping.

Retreat During Daily Life

A Centennial Celebration brought to you by Men's CRHP

The men of the CRHP Formation Team celebrate OLPH's 100th anniversary by offering a simple way to walk with the Lord. "Retreat During Daily Life" is a 10-day offering of Scripture, Reflection, & Prayer you can experience on your own time, at your own pace, in your own home or wherever you are.

The Sacred Rosary - Group

In March, a few days after the 'shelter at home' order was in place, the Sacred Rosary - Group, led by **Gabriella Barretto**, was formed.

Committed to praying to Our Blessed Mother for peace, healing, understanding and cure, we decided to offer **100 Rosaries in celebration of the 100 year anniversary** of our beautiful Our Lady of Perpetual Help Parish.

So it was that on Friday, March 20 through the genius of technology, we gathered to pray our first Rosary. As it was a Friday, we meditated on the Sorrowful Mysteries. Looking back, considering what was happening then

and what was about to follow during the months of May and June, this was decidedly, the most profound Mystery to begin our quarantine journey.

Friends have joined us from out of State and, from Overseas. All are welcome!

Nancy Austin, a convert to Catholicism says: "I had heard about the Rosary but sadly, did not have any knowledge of how and when to pray it. Now I do. Since joining the 'Sacred Rosary' Our Blessed Mother has transformed me and my life ... within and without."

We prayed our 100th Rosary on June 28.

We continue to pray our daily Rosary may peace, healing, understanding and cure, be ours In our Nation, in our World.

Our Lady hears us, fills us with Her Grace, and carries our prayers to Her Son.

Virtual 5K Walk for Life

Since its founding in 1984, the Women's Centers of Greater Chicagoland has saved over 40,000 babies from abortion. Throughout the current COVID-19 crisis, they have continued to provide counseling and support for women considering abortion.

A Video from the OLPH Virtual Choir directed by Russell Stern!

As a gift to the parish and to those families celebrating Confirmation this summer, the OLPH Festival Choir, directed by **Russell Stern**, has released a virtual performance of *Veni Sancte Spiritus*, which is composed by **Christopher Walker**. This is a song that we normally sing during the anointing rite at Confirmation. This summer, at Mass, the instruments are playing the melody of this song at our Confirmation liturgies.

This special video was made possible by the brilliant tech work of **Jim Baumstark** who is one of our cantors/choir members. He devoted an enormous amount of time and effort to learning this first time process for him. We are most grateful for his wonderful work.

Parish Reopening News

In coordination with the Archdiocese, we are continuing to seek out ways that will allow our parishioners to celebrate their faith here on the campus of OLPH. Here are the most recent developments:

We are increasing attendance at Mass!

We have great news! We are now at the point where we can expand the number of seats available in our church. With additional chairs and by utilizing the balcony and the chapel, we can increase the attendance in the church by 30 people.

So now we can accommodate 112 people in our church for all services.

Please sign-up today with Sign-Up Genius!

The Sunday morning Mass schedule is as follows:

- 9:30 am in the Church; max attendance: 112
- 9:30 am in the Playdium; max attendance: 140
- 11:30 am in the Church; max attendance: 112

Chairs in the Playdium will be set up six feet apart for proper social distancing. However, families will be allowed to sit together.

Saturday 5:00 pm Drive-in Mass will continue

Our Drive-In Masses have been extremely popular and so they will continue into the autumn.

You must remain in your car and you will be able to hear the mass on your car radio. The Mass will be celebrated on the porch of the Ministry Center, rain or shine. You will be able to receive communion.

Sign-Up Genius

The Sign Up Genius link for all Masses can be found on the home page of our olphglenview.org website. It is also sent out in our Daily Eblasts.

If you are not already receiving our Daily Eblast, send an email to communications@olphglenview.org to subscribe.

The Holy Rosary is back!

A group of parishioners have begun meeting casually in Mary's Garden after 8:30 Mass to pray the Rosary.

Please join us at 9:05 am for 25 minutes of peace, fresh air and the benefits of communal prayer--socially distanced of course with safety in mind. You may want to bring a hat, folding chair, umbrella, etc.

We have also restarted our First Friday Devotion to the Sacred Heart and the St. Joseph Novena (19th of the month) in the garden.

New Adoration schedule

Adoration has moved to a new time:
Wednesdays 1:00 - 4:00pm

Please enter from the Church St. doors. Exposition of the Blessed Sacrament will begin at 1 pm followed by silent Adoration until 4:00 pm. Later in September we may include Benediction so stay tuned for more updates.

Little Heroes Learn Here!

Sporting a fun mask, our youngest Warriors arrived on campus this week. Our little superheroes were warmly greeted by their teachers. They learned about staying in their bubble, how to wash their hands, and what their new norm will be this school year. They explored their classroom, started making new friends and even had time to hear a story and play on our Little Playground. Oh, the fun we will have this year ... Looking forward to a year of learning!

We Belong to Each Other

In a meeting with workers early on in his Pontificate, Pope Francis prayed:

Lord God look down upon us! Look at this city . . . Look upon our families.

Lord, you were not without a job, you were a carpenter, you were happy.

Lord, we have no work.

The idols want to rob us of our dignity. The unjust systems want to rob us of hope.

Lord, do not leave us on our own. Help us to help each other; so that we forget our selfishness a little and feel in our heart the "we", the we of a people who want to keep on going.

Lord Jesus, you were never out of work, give us work and teach us to fight for work and bless us all.

This prayer was recited well-before the Pandemic, but it is sadly all too fitting for our current economic crisis: almost sixty million men and women have filed for unemployment, gains made over the decade since the Great Recession has been almost completely wiped out, and about half of the layoffs have been in lower-wage, personal-service jobs. The repercussions are far-reaching, including economic inequality that is now even worse than during the Great Depression. Black and Latino workers also face much more economic and health insecurity from COVID-19 than others. They face the most lethal pre-existing conditions for coronavirus: racism and economic inequality.

This pandemic has pulled the mask off of the false narrative that leads us to believe that we are separate from one another. Mother Theresa said, "If we have no peace, it is because we have forgotten that we belong to each other." Indeed, our faith teaches that we belong to each other. At a time of crisis such as this, we must turn to our faith, which for me and many of us is the foundation of who we are and how we see the world. From Genesis to the Gospels, Scripture time and time again makes it clear that the treatment of workers is of utmost importance, no matter who they are or where they come from. We are called to love one another.

This is why I am a proud Board Member and supporter of the mission of Arise Chicago. Many of the workers who engage with Arise Chicago are considered "essential" and it is clear that our economy could not run without them, and yet they are some of the worst paid and worst treated in the economy. Their jobs do not provide them proper safety equipment or social distancing. This has led some contracting Covid-19 and tragically dying from the virus. We need groups like Arise Chicago to educate workers on their rights, and support them when they take actions to save not only their lives, but the lives of their families and communities. The task of Arise Chicago to connect faith communities with workers is inextricably linked to the call that because we all belong to each other; we must love each other.

I have met countless workers over the years, men and women, who have inspired me with their courage and heroism to make a difference not only at their job, but in society. Against all odds, they continue to push forward to create a more just world. They do this not to become famous or popular, but because they are compelled to act by their faith. We should change the name of Monday's holiday from Labor Day to A Labor of Love Day, and in so doing, honor all those who historically have and those who will take these same risks.

Let us never again forget that we belong to each other.

2020 Glenbrook Crop Hunger Walk

This year, because of health concerns due to the COVID-19 virus, we are hosting a virtual Glenbrook Crop Hunger Walk on Sunday, October 18. We encourage participants to walk as they have done in past years, but instead of meeting in a large group following a pre-set course we ask that they form teams, small groups, walk as families, or walk by themselves on their own route.

Please sign up at www.crophungerwalk.org/glenbrook.

The registration/pledge process is fairly simple. To register as a walker, go to the web page and start by clicking on the register button. You may then choose to register with the team or individual walker boxes. If you are making a pledge, click the pledge button and then fill out the appropriate boxes to sponsor an individual, a team, or the effort as a whole.

Hunger remains an ongoing problem in many parts of the world and our own local communities. This year more than ever we ask for your help to support our efforts to alleviate hunger. Last year 25% of our proceeds went to the Northfield Township Food Pantry, West Deerfield Food Pantry and the Hunger Resource Network and we hope to do the same this year. We understand the challenges that a virtual "walk" poses for all of us and we are here to help in any way we can.

Please contact **George Miller** at george.miller@ms.com or **Adrienne Miller** at 847-707-4310 if you have any questions.

Thank you in advance for making the 2020 Glenbrook Crop Hunger Walk a success!
