seek, share, rejoice - pastor's letter...

Jerry Boland, Pastor

"The Spirit of God dwells in you!"

In this weekend's passage from St. Paul's Letter to the Corinthians, he reminds us of the enormous blessing and challenge we possess in being the temple of God's Spirit. Through baptism we have been claimed by Christ and his Spirit dwells in our very being.

Anyone who visits Jerusalem makes a visit to the Wailing Wall, the remnant of the Western Wall of the temple. This section of the wall is all that is left from the Second Temple built by Herod the Great. Observant Jews believe that God dwells in this place that once held the Holy of Holies. Jews reverence this wall and acknowledge that God dwells in this place as they yearn for the day the temple will be restored.

This weekend's reflection by St. Paul challenges us to maintain a reverence for our bodies because God dwells in us! We are all vessels of God's loving and healing Spirit. We are challenged to be faithful stewards of the Spirit as we deepen our faith in Christ.

This weekend's readings are a great primer as we embark on our Lenten journey with the celebration of Ash Wednesday. We will have many opportunities to assist you in your Lenten journey. Please review the many invitations to make the most of Lent, this marvelous season of growing in God's grace and becoming a more authentic Christian. The Bulletin each week will list our Lenten events. We will have several liturgies on Wednesday. Please avail yourself of the Sacrament of Reconciliation celebrated every Saturday from 4:00-5:00pm. We have remodeled our Reconciliation Room and it is a prayerful and uplifting space in what was the baptistry.

The words of Paul could serve as a great foundation for beginning the Lenten journey. How do I embrace and reverence the Spirit of God that dwells in me? How does this indwelling of God's Spirit impact the choices I make, the kind of person I am trying to become?

I have shared with you the challenges the Church has been facing in the aftermath of the worst of the pandemic. For many the pandemic has had a lasting effect on their spiritual life and their sense of the mission of the church.

This Lent, the Archdiocese is launching two major initiatives to better understand the needs of the people we serve and the priests who minister to them.

During the weeks of Lent, all the priests of the Archdiocese will be participating in a study called the Priest Leadership Inventory. This is an extensive survey of each priest's journey since his ordination. There will be an invitation to evaluate the skills we bring to ministry and the skills that must be developed to be an effective evangelizing priest. As the surveys are reviewed, the Diocese will look at what kind of programs and resources can be developed to continue the on going formation of our priests who continue to face extraordinary demands and challenges facing us at this critical time.

The second initiative involves YOU! Clearly there are many challenges facing our parishioners. Church attendance continues to decline. Many people no longer identify themselves as belonging to a church. The impact of secularization, the scandals, and a general malaise in our culture has had its impact.

Beginning on Ash Wednesday, every Catholic in the Archdiocese will be invited to participate in a survey. The survey will ask for your feedback on beliefs/attitudes, personal practices, and experience of parish life. The aim is to assess parishioners' spiritual formation on their path to discipleship and to provide parish leaders with a better understanding of where to focus efforts and energies to achieve our mission. There will be a link for you to access the survey in the Bulletin and on our website. There will also be paper copies available in the Church. The survey will take about 10-15 minutes to complete and will provide extremely valuable data to the leadership of our Archdiocese and to us here at OLPH. Please participate! We need to get as many parishioners as possible to participate. It makes no difference how active you are in the parish. We really need to hear from those who are no longer participating or have had experiences or issues with the Church, either here at OLPH or the larger church. We need to know what is happening in the hearts of all our members to proceed as an effective evangelizer of the "Good News". Thank you for considering participating. You can begin downloading the survey this coming Wednesday and it will be available throughout the Lenten season.

seek, share, rejoice - 2023 catholic appeal, upcoming events...

(cont. from page 2)

The survey is being conducted by the Catholic Leadership Institute. These 2 surveys have been underwritten by a grant. The Archdiocese of Chicago is one of 15 US dioceses piloting this research.

Thank you for your consideration of this Year's Annual Catholic Appeal, "Walking On The Road With Jesus". The resources raised by the appeal serve so many needs. If we exceed our goal, those additional proceeds are turned over to the parish.

Please make sure you get a copy of our Sharing Ministry Commemorative Book marking the 40th Anniversary of Sharing here at OLPH. I am very grateful to **Lou and Pat Marohn** who graciously underwrote the production of this beautiful edition.

Special thanks to **Angela Romero** and Religious Education families for the Birthday Bash Giving Project. Over 100 gathered to assemble all the goodies needed for a child's birthday. These boxes of all the fix-ins have been distributed to our Sharing Parishes.

As a temple of the Spirit of God, may you be blessed!

Fr. Jerry Boland

Please Make Your Gift to the 2023 Annual Catholic Appeal

It's not too late to contribute to the Annual Catholic Appeal. By sharing our wealth through gifts to the 2023 Annual Catholic Appeal, we demonstrate our commitment to the Church and each other. The Annual Catholic Appeal offers a wonderful opportunity to answer the call "Walking on the road with Jesus."

This year's goal for OLPH is \$193,403. Anything received over that amount is rebated back to OLPH for use directly by our parish for our operations and/or special projects. Most recent rebates will help us fund new carpeting in the Church.

SHARE YOUR VOICE SUPPORT OUR PARISH

Survey Opens Ash Wednesday, February 22

Does our parish help you grow spiritually? How good are we at connecting you to others in the parish? In what ways do you feel invited to share your talents at our parish? Your honest answers to these types of questions are what will make Our Lady of Perpetual Help a better faith community.

This Lent, we invite all parishioners to share their input by participating in a 10-15 minute online survey at <https://portal.catholicleaders.org/d/g40gc4> The survey is available from Ash Wednesday, February 22 through March 31. All responses will be confidential and the parish will only receive information about the community as a whole.

Your feedback and input will help shape various ministries as we plan for the future and strive to be the best parish we can be. We will receive the results this spring/summer at which time we will share what we have learned with the entire parish.

Complete the 10-15 minute anonymous survey at <https://portal.catholicleaders.org/d/g40gc4> or scan the QR code, or find a paper copy in church or the Parish office. Available from Ash Wednesday to March 31. Don't miss this opportunity to be heard!

Thank you for helping Our Lady of Perpetual Help Parish!

seek, share, rejoice - the universal church...

The Catholic Church: A Truly UNIVERSAL Church

Join us for a special Universal Mass Celebration 9:00am Sunday, Feb. 19.

When was the last time you heard Pater Noster (Our Father) in Gregorian Chant? Similarly, have you ever heard the Lord's Prayer sung in Jesus's language of Aramaic? When was the last time you witnessed a joyful dance to tribal music during the Gospel Acclamation?

Have you ever attended a Catholic Mass celebrated totally in Hebrew or Arabic, in which you hear the words "Elohim" or "Allah" for God? Chances are, many of us would answer "no" or "never" to these questions. Unless we've travelled around the world and have sought to experience Catholic liturgy in a different vernacular or rite, the **global diversity** of the Catholic Church could be lost on us.

Let's not forget that the word catholic comes from the Greek word 'katholikos' which means **universal**. Our Church is not strictly local, regional, or national... it is UNIVERSAL. The universal Church is rooted in a variety of cultures and takes on different external expressions. This is how the Catholicity of our Church is shown forth. Our American taste of Western Catholicism is but a small drop in a massive ocean filled

Jesus around the world

with amazingly unique customs & traditions that go far beyond what we typically think of as Catholic. (Take for example, the Lunar New Year Mass -- a mainly Chinese liturgical celebration -- which might raise some eyebrows due to the inclusion of the traditional lion dance and fireworks.)

St. Cyril of Jerusalem may not have been thinking about Chinese or Vietnamese culture in particular, but he defined the essence of catholicity (in 350 CE) when he said, "The Church is called "catholic" because it extends over the whole world, from end to end of the earth..." Its catholicity implies a welcome to "every race of men," "governors and governed, learned and unlearned."

So, let us pray with **music!** It

is a sung conversation with God that draws us closer to Him, thereby connecting us to the divine and to each other. "Each other" means not just our friends and family sitting in the pews with us but also our brothers and sisters in Christ from all corners of the globe, who profess our same creed but live it out in their own unique and beautiful ways. We hope you find beauty in the harmony, the tune, and the words of every song/hymn you'll hear.

Philippines' Sinulog festival celebrates the Holy Child Jesus

This weekend at the **9:00am Sunday Mass**, we are invited to step out of our bubble and "travel" around the world with Russell Stern and the festival choir as we experience the universality of the Catholic Church through the gift of MUSIC.

Hallelujah! Alleluia! Allilouia! Alhmdulilah!

Sharing Ministry

Volunteer Need

We are looking for a few volunteers who can work on alternating Wednesdays at 11:00am, joining a fun crew in sorting clothing donations. The team generally works for an hour or two until all donations are accommodated.

Contact **Lenore Pettinger**, lenorepett@sbcglobal.net for more information. Next shift works on February 15.

Support the On-Going Food Drive

Please continue to hear the cry of the poor and help us ensure the sharing parish pantry shelves are stocked. Need is critical. Donate non-perishables, leaving them at the church entries, the Sharing Resource Center (SRC) entry when bins are out on Tuesday, Thursday and Sunday mornings, through the kids at the Sunday Offertory, or through Give Central.

Closet Clean for Sharing

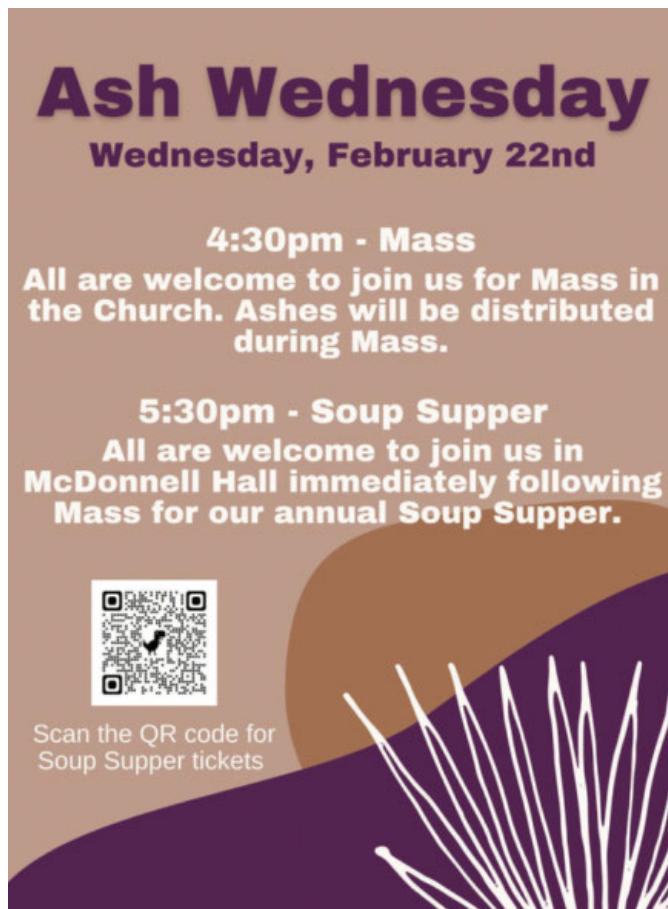

Please consider donating clothing items you will no longer need to the SRC. We welcome in-season, gently used items. We also welcome gently used housewares. Watch for the bins outside our SRC on Tuesday and Thursday mornings from 7:00am – noon and on Sundays from 8:00am – noon. Volunteers are additionally there on Sundays.

Catholic Charities – Feed the Homeless

We are looking for donors willing to fund dinners at Catholic Charities, each serving 100 – 120 guests, at as many dates as we can cover in 2023. Last year we were able to raise enough funds to cover 10 evenings. We currently have funds to cover only three dates in the coming year. Each dinner event costs \$600. Please help us to raise the funds to cover many more. For more information, contact **Kathy Quinn**, khquinn1944@comcast.net

Catholic Charities' New Hope Apartments Program

Fighting Homelessness, One Family at a Time

Many of us feel grateful to have a home, safe, warm and dry to return to each day. We may also feel compassion for the homeless people we see or hear about.

Catholic Charities' New Hope Apartments program ("New Hope") offers a way to channel your concern to provide permanent housing and self-sufficiency for struggling families.

New Hope helps move homeless families out of distress and into self-sufficiency. Catholic Charities locates apartments, assists in securing a lease and then pays the rent for the family until that family can take over more of the cost.

The lease is between the landlord and the New Hope client to facilitate a seamless transition once they exit the program. This helps the client develop good credit history. Caseworks assist the family in finding employment, education opportunities and childcare, in saving money and budgeting wisely, and working toward the day the family can manage all its expenses on its own.

This comprehensive rehabilitative program generally provides support for one year, but in certain circumstances, support may extend for up to two years as the family makes this transition.

Our Lady of Perpetual Help Parish ("OLPH") became involved with New Hope in 2004 in partnership with The Society of St. Vincent DePaul of St. Catherine Labouré Parish in Glenview ("St. Catherine") and St. Philip the Apostle Parish in Northfield. OLPH, St. Catherine and Catholic Charities have continued their partnership sponsoring four families at a time.

Members of our faith communities have helped to support and extend the reach of this wonderful program with generous funding for the Program and giving holiday gift cards to the four families. All families remain anonymous to the sponsoring parishes.

Donors are able to develop caring connections with our four families as the families' caseworker provides quarterly updates which are shared with supporters via email.

These updates provide information on holiday gift card initiatives for Thanksgiving, Christmas and Easter. A gift card donation in any amount helps.

In the 18 years of this program, OLPH and St. Catherine have managed to help homeless

families move from desperate situations, living in cars or living in homeless shelters to living in homes, thriving and self-sufficient with stability and security.

New Hope is not a band-aid program. It not only helps the parent(s) in the family, but also profoundly impacts their children by giving them a stable home in a safe community. Right now, we have 3 families in the program that will be exiting the New Hope Program and moving on to self-sufficiency.

Code names are used to protect our families' privacy.

"Ninera" is a single mother with a 2-year-old daughter

"Caregiver" is a single mother with 5 children, 3 of whom live with her. She is employed as a resident aid.

"Promise" is a single mother with four children who was formerly homeless.

Our fourth family, "Fatherhood" is led by a single father with 9 children, 4 of whom live with him. One of these children requires significant care for medical issues. The father is working on securing a job and establishing savings. With assistance for several coming months, this family should be able to maintain a stable housing situation and manage on their own.

With your support, we can help more families transition out of homelessness and into independence, changing family members' paths in life forever.

Parishioners can join the email list for updates on our New Hope families by contacting **Anne Gallagher** at annemurgal@gmail.com or **Sharon Riley** at sharonrileyrt@gmail.com. Your prayers and support can make a big difference in helping to diminish the homeless crisis.

The Sacrament of Reconciliation

Confession, also known as Reconciliation or Penance, puts us face to face with the mercy and forgiveness of Christ. Each Saturday afternoon, a priest is available in church to hear confessions.

Fasting

The Church requires all those between 18 and 59 years of age to fast and abstain from meat on Ash Wednesday and Good Friday. Fasting allows a person to eat one full meal. Two smaller meals may be taken, not to equal one full meal. All Catholics age 14 and older are to abstain from meat on the Fridays of Lent.

Almsgiving

Service (or almsgiving) helps us experience faith in action. Our parish offers many opportunities to make a difference and grow in awareness of the needs of the poor. Watch our website for upcoming events.

invites you to reflect on our Lenten Theme**

Turn Toward the Light of Christ

with a presentation by

Lisa Fortini-Campbell

"I am the Light of the World. Whoever follows me will never walk in darkness, but will have the light of life."
(John 8:12).

Christ was in no doubt about either his identity or his mission and he wants us to be equally clear about our own.

"You are the light of the world," he says, like towns on hills that cannot be hidden and like lamps on stands giving light to the whole house.

We may be husbands, wives, sons or daughters. We may work in businesses or serve in not-for-profits or volunteer at church. We may be good at cooking or accounting, at gardening or engineering, or at art or science. It doesn't matter. Wherever we are, we are his torch bearers, meant to shine so others catch his light, and become his torch bearers, too.

In this Lenten reflection, we will look at the light-filled people who have sparked his light in us and how, in turn, we can ignite the others we meet.

Thursday, March 9, 8:00pm ET/7pm CT/5pm PT

The Ignatian Spirituality Project (ISP) partners with social service agencies to care for the spiritual needs of people recovering from homelessness and substance use addiction. In 20+ cities across the U.S., Canada, and Ireland, volunteers provide spiritual reflections and overnight retreat experiences for thousands of people on the journey of recovery.

Join ISP alumni leaders, special guests including **Lisa Sharon Harper**, **Fr. James Martin, SJ**, and **Mary Karr**, for a memorable evening on March 9. Together, we'll celebrate the power of sharing sacred stories on the journey to wholeness and healing!

The event is free to attend. To register or learn more about sponsorship opportunities, visit ispretreats.org/cog.
