seek, share, rejoice - pastor's letter...

Jerry Boland, Pastor

"Hope does not disappoint, because the love of God has been poured out."

As we continue our Lenten journey, we deepen our desire to know who we are and how we can become a more authentic disciple. I had a spiritual director who used the image of an onion as an example of our Lenten journey. Each day of this season of grace we peel away another layer as we draw closer to the heart of who we are and who we hope to become.

The more we are able to "turn to the light of Christ", the more we can sense the power and grace of the Lenten pilgrimage.

The scriptures this weekend speak to the inexhaustible power of God's gifts of grace, hope and resilience. Moses would see the power of God's ability to quench our thirst as he struck the rock in Horeb. In Paul's Letter to the Romans, he reminds us that Christ died for us even though we are sinners. In the remarkable encounter of the woman at the well, we are invited to see the power of the water of baptism, calling us to new life, to never thirst again for mercy, redemption and love.

Lent draws us in a way to a spiritual desert. Stripped of the trappings of noise, temptation and selfishness, we see surrounding us the powerful reality of God's hope. We can't help but get discouraged by the darkness that surrounds us. But just as the daylight grows each day so do signs of God's promise of hope inspire us.

This Lent, the kids in the school are supporting through their almsgiving the school of Our Lady of Perpetual Help in Puerto Rico. This parish ministers to some of the poorest and has been so damaged by a series of natural disasters. I had a wonderful time this week sharing with them my experiences visiting this parish and how grateful they were for last year's support and looking forward to this coming year's support. I hope we can deepen our relationship between OLPH Glenview and OLPH Cuyagas, Puerto Rico.

I am also thrilled with the support **Tom Hart** and Sr. Paulanne's Needy Family Fund have had in helping us

sponsor a refugee family from Ukraine. We have been working with Catholic Charities. The family we are helping is a Mom, Dad and two daughters. One of the children has special needs, she is unable to walk or communicate. This little girl was unable to get a proper diagnosis in Ukraine. Tom was able to coordinate an appointment with a neurologist at Lurie's Children's Hospital and hopefully they will have a better sense of a direction to take. The family is overwhelmed with the support and concern they have received. They were desperate to get out of Ukraine because of the challenges of attending to their daughter's needs in the midst of a war. I can't help but be inspired by Paul's message from the second reading today,

"Hope does not disappoint." We have been able to secure a used car and the dad has a very good job prospect. Tom Hart and the circle of parishioners he has been working with are making such a difference.

What a blessing to have **Paul Kanzer** back at the piano in music ministry. Paul has been recovering from some serious health issues but is in great form and looks terrific. Welcome back Paul!

Roundball never disappoints. Another tournament of heart stopping action. The tournament concludes with the Championship games this Saturday. The teams have been terrific. I am especially grateful to the legion of coaches, most of them are high school alumni of our school. Thanks also to the Men's Club for all they do to make this happen. Speaking of the Men's Club, there are still tickets available for this weekend's St. Patrick Day's Party. It is going to be a great time!

On Wednesday, March 22 we will have our annual Lenten Penance Service at 7:00pm This year St. Norbert in Northbrook will be hosting.

Please mark your calendars for our Lenten Mission on Saturday, March 25. We have a wonderful panel of artists reflecting on our Lenten theme, "Turn toward the light of Christ." **Terry Luc** (artist), **Rob Orr** (documentarian), **Russell Stern** (composer), **Fr. Larry Basbas** (preacher) and **Margie André** (writer) will reflect on how light impacts their vision as an artist.

Many of our parish organizations are going through nominating processes to discern future leadership. We

seek, share, rejoice - what's happening this weekend!...

(cont. from page 2)

are so blest by the women and men of this parish that so generously serve us. Please pray for the guidance of the Holy Spirit.

Just a friendly reminder, please fill out the parish surveys. The more people who participate, the more accurate the data will be. More info on page 6 of this Bulletin and at olphglenview.org Thanks!

As I write this letter, the Cubs have won five straight in Spring Training. "Hope does not disappoint"!

Have a blest week,

Fr. Jerry Boland

SHARE YOUR VOICE SUPPORT OUR PARISH

We need your participation in the parishwide survey!

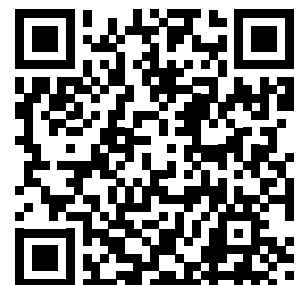

Does our parish help you grow spiritually? How good are we at connecting you to others in the parish? In what ways do you feel invited to share your talents at our parish? Your honest answers to these types of questions are what will make Our Lady of Perpetual Help a better faith community.

This Lent, we invite all parishioners to share their input by participating in a 10-15 minute online survey at <https://portal.catholicleaders.org/d/g40gc4> The survey is available through March 31. All responses will be confidential and the parish will only receive information about the community as a whole.

Your feedback and input will help shape various ministries as we plan for the future and strive to be the best parish we can be. We will receive the results this spring/summer at which time we will share what we have learned with the entire parish.

Don't miss this opportunity to be heard!

Thank you for helping Our Lady of Perpetual Help Parish!

Ministry of Care

Training for Extraordinary Ministers
of Holy Communion to the Sick
April 15 & April 22 in Hickey Hall

Ministers of Care bring Holy Communion to parishioners who are homebound, living in nursing homes, or in the hospital. They share with them the word of God in scripture, pray with them for the Church and the world, and offer them companionship. Through the Ministry of Care, we are able to keep long-time parishioners of OLPH connected and active in our faith community.

The work of the Ministry of Care is open to all members of our parish community, and a basic training course for new Ministers of Care will take place in Hickey Hall at OLPH on two successive Saturday mornings, April 15 and 22. Both sessions will focus on various aspects of the Ministry of Care; however, the unifying thread woven through all is a commitment to helping you develop the skills and confidence needed to be a source of comfort to those who are sick, elderly or homebound.

These sessions will be facilitated by **Rick Nash** and **Jim Vlazny**, Coordinators of the Ministry of Care at OLPH. Completion of this course qualifies you to receive the Archdiocesan mandate to bring Communion to the sick, homebound and hospitalized of our parish.

If you think God might be calling you to this most important ministry, please contact Rick Nash for more information or to register for the training sessions. Call 847-651-8718 or email rick.nash@comcast.net

Creation Care Ministry

Composting is one small action which
OLPH Parishioners can take to reduce
waste!

The land itself must be given a rest and not abused. - Leviticus 25:1-7

We all know about the benefits of recycling, but why compost? 268 million tons of waste were generated in the US in 2017. Of typical municipal garbage, 50% is compostable and 28% of waste is compostable food waste; yet only 4% was actually composted. Source: www.epa.gov

In this Lenten season, composting is one small action that is positive and a meaningful way to care for God's Creation!

What Is Composting?

Composting is the natural process of recycling organic matter, such as leaves and food scraps, into a valuable fertilizer that can enrich soil and plants. Anything that grows decomposes eventually; composting simply speeds up the process by providing an ideal environment for bacteria, fungi, and other decomposing organisms (such as worms, sowbugs, and nematodes) to do their work. The resulting decomposed matter, which often ends up looking like fertile garden soil, is called compost. Fondly referred to by farmers as "black gold," compost is rich in nutrients and can be used for gardening, horticulture, and agriculture.

Source: <https://www.nrdc.org/stories/composting-101>

Composting can:

- Reduce methane emissions
- Improve water quality
- Improve soil, including water retention, and recycling nutrients
- Reduce the need for chemical fertilizers

What we can do:

- Composting is easy to start in your home or yard or
- Use a service such as Collective Resource Compost: <https://collectiveresource.us/composting-services>

A simple, accessible, and effective way to be stewards of the earth!

Scoreboard Advertising

Introducing

A Wonderful Advertising Opportunity for OLPH local businesses and families

Support OLPH

We have an advertising opportunity for signage in the OLPH Playdium gym. This is a great opportunity for a family or a business to be the Scoreboard Sponsor and have great visibility within the parish.

Background:

There are two (2) beautiful scoreboards in the Playdium gym. One is in the Southwest (SW) corner and the other is in the Northeast (NE) corner. The Southwest scoreboard is slightly larger and is most likely viewed more often than the Northeast board. This is due to its location across from the bleachers that are used most frequently. The scoreboards were built with a rectangular area across the bottom for placement of a sign.

The Playdium has been seen a tremendous increase in usage in recent years and is back in full swing post-COVID. This increase is related to our mandate to maximize the use of the Playdium for the benefit of all members of the parish community.

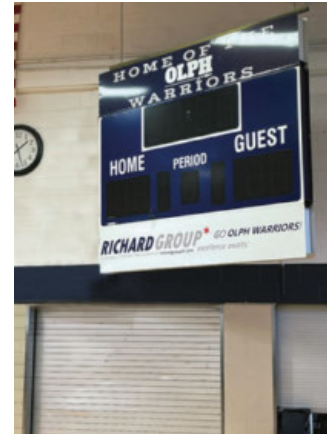

Some of the activities of the Playdium include:

- 5th thru 8th grade boys basketball games
- 5th thru 8th grade girls basketball games
- Weekend basketball tournaments
- Six weekends of K-4 basketball skills programs
- 6th thru 8th grade girls volleyball games
- 7th thru 8th grade boys volleyball games
- Weekend volleyball tournament
- Roundball
- Musicale, Variety Show, Band Concerts
- Grandparents' Day, Mother/Son Sneaker Night, Boy Scout Pancake Breakfast
- R. E. Christmas Pageant, Breakfast with Santa
- Kindergarten Graduation
- Men's Basketball Open Gym and League
- CYO High School basketball practices and games
- Daily use for the PE classes for the entire school
- Christmas Masses

With the Playdium bustling with activity, the scoreboard signage presents many opportunities for a family or business to be noticed.
