Lord, send out your Spirit
and renew the face of the earth.

seek, share, rejoice - pastor's letter...

Fr. Jerry Boland, Pastor

Dear Parishioners,

"Lord, send out your Spirit and renew the face of the earth."

This weekend the Church celebrates its birth as we commemorate the Feast of Pentecost, the descending of the Holy Spirit. The Church forever needs to be renewed. Each generation presents its own challenges, struggles and brokenness.

The church yearns for healing as a result of the scourge of the clergy sex abuse scandal. The church yearns for peace considering so many divisions. The Church cries out in agony as it walks with many who are wounded. The Church proclaims serenity in a world besieged with anger.

The Church perseveres because the Lord has never abandoned us. Even with leadership on all levels failing with corruption and evil ultimately the proclamation of the Good News prevails. The Lord continues to guide us through the turbulent waters of life.

Embracing the Spirit is the great challenge of being a Christian. We must let go of our control needs, our ego, our self-centeredness. The apostles in the Upper Room had to let go of everything as they moved out of seclusion and into a waiting world.

We are creatures of habit and as unhappy as we might be, the known is easier than the unknown. Leaving our comfort zone must happen if we are going to grow, to be healed, to be reconciled.

Last weekend **Cardinal Cupich** ordained five deacons to the priesthood. I could not help but remember my ordination of 42 years ago. I wonder what the Church will look like when they celebrate their 42nd anniversary! It will be beyond their imagination as was my case. I could have never anticipated both the joys and challenges I have encountered. While I have encountered both the blessings and the struggles of the Church, there have been constants. Most evident, the deep faith of the people I have shared my ministry with. It doesn't take long here at OLPH to be blown away by seeing faith in action. Thank you from the bottom of my heart for your generous witness of Christ's love in your life! Happy

Anniversary to my brother priests here at OLPH:

- **Fr. Tom Hickey** (53 years),
- **Fr Jim Barrett** (41 years),
- **Fr. Patrick Kizza** (5 years), and
- **Fr. Larry Basbas** (3 years)!

I wish the very best to **Angela Romero** who is completing her service as our Director of Religious Education. She has done a wonderful job of bringing our program to a new level. I wish her the very best as she is navigating a career change. We will miss her!

Congratulations to **Sara Carsten** who recently completed an internship in spiritual direction at Bellarmine Retreat House. Spiritual Direction is an ever-growing need in the church. Sara will be great. She is also the new President of the Parish Pastoral Council. We are blessed!

This time of the year there is one parish celebration after another. I can't thank **Ben Tchaou** enough for his selfless gift of photography. He faithfully captures every special event here with the most wonderful pictures. There are thousands of copies of his beautiful photographs everywhere. He has provided an amazing archive of our parish life over the past several years. Thanks Ben! Keep shooting those pictures!

I had the joy of attending the installation of the new officers of the Women's Club. There is not a facet of parish life that is not touched by their generosity and presence. More than the thousands of dollars they raise, they are a crucial force in connecting so many to the spirit of our parish and beyond. There isn't a week that goes by when they are not raising our consciousness to the needs of others. **Jen Farr** has done an outstanding job this past year as President. She and the officers, with the support of the Guilds, thought outside the box and initiated several new traditions. Please never change "Trunk or Treat"! I really look forward to working with **Debbie Mulroy** the new president and the new officers.

Congratulations to the OLPH Class of 2023 and all our young people graduating at this time. We pray for all of God's blessings upon you as you enter the next chapter of your life.

Lord Send Out Your Spirit!

Fr. Jerry Boland

**Statement of Cardinal Blase J. Cupich, archbishop of Chicago, in Response to the Illinois Attorney General Report
May 23, 2023**

Today, Illinois Attorney General Kwame Raoul published a report (the Report) on his office's investigation of allegations of child sexual abuse against clergy in the six Illinois Catholic dioceses over a period of nearly 90 years. The Report addresses both how dioceses responded to such allegations in decades past and current policies that help ensure the safety of children and support the healing of survivors. We have not studied the report in detail but have concerns about data that might be misunderstood or are presented in ways that could be misleading. It is therefore important that we state what we know to be true. For example:

The 451 names "disclosed":

- 451 is all 6 dioceses and includes religious order priests.
- 451 includes the priests already on the 6 web sites.
- ALL were reported to civil authorities, none were undisclosed, none were "hiding in plain sight since at least 2002."
- We DO list religious found by their orders to be substantiated.
- 149 still "undisclosed" men are mostly religious order members who are not on our site; they are not undisclosed, and they are under the supervision and report to their respective order. AG himself distinguished between dioceses and religious orders, saying "this was an investigation of the dioceses, not the orders," recognizing they are different. However their totals include both.
- AG said: church is more worthy of investigation because it is a trusted religious organization. We think all children deserve to be protected regardless of whether they are cared for by a religious or secular institution; it isn't fair or wise to focus only on the Catholic Church, which has made the greatest strides in this area.
- Statute of limitations: we offer care, compassion (pastoral outreach) and even compensation to all who come forward, regardless of the statute of limitations.
- AG recommends outsiders being involved in overseeing our internal church investigations. We have had an independent review board with lay people overseeing these investigations since 1992, which is why the number of abuse incidents has dropped so dramatically.

We must think first of the survivors of sexual abuse who carry the burden of these crimes through their lives. On behalf of the archdiocese, I apologize to all who have been harmed by the failure to prevent and properly respond to child sexual abuse by clerics. Survivors will forever be in our prayers, and we have devoted ourselves to rooting out this problem and providing healing to victims.

For more than 30 years, the Archdiocese of Chicago has been at the forefront of developing and improving policies and programs to address the scourge of child sexual abuse and to support survivors. Our policies and procedures, first adopted in 1992, have served as a model for organizations and professionals dealing with this difficult issue. I hope the attention drawn to the issue by the Report will encourage those who work with minors to learn from our experience and take steps to protect all children from sexual abuse.

Here are some key facts about our efforts in the Archdiocese of Chicago:

- Since 1992, we have maintained one of the first and largest victim-survivor assistance programs in the nation. We provide assistance to anyone making an allegation, regardless of whether the accused is living or whether the allegation is substantiated.
- No cleric with even one substantiated allegation against him is in ministry in the Archdiocese of Chicago. When we learn of an allegation of abuse, we act promptly, report it to civil authorities, remove the accused from ministry and investigate the allegation. Allegations are submitted to our lay-majority Independent Review Board for investigation. In accordance with the U.S. Conference of Catholic Bishops (USCCB) Charter for the Protection of Children and Youth, clerics found to have committed even one act of child sexual abuse are permanently removed from ministry.
- The archdiocese has, to our knowledge, reported all allegations of child sexual abuse by clergy to civil authorities, including the oldest allegations. We report these allegations regardless of whether the accused is alive or dead, a diocesan priest, an extern priest from another diocese or a religious order priest. We consider an allegation to have been made even if the report is made anonymously, has incomplete facts (such as the name of the priest or parish) or is made by a third party, and we report all such allegations to civil authorities. It is important to emphasize that, to our knowledge, there are no "hidden," "undisclosed" or "unreported" allegations of child sexual abuse by the clergy of this archdiocese.
- Under our recently amended policies, allegations against deceased priests who have not yet been placed on our website list are processed by our Independent Review Board. If an allegation against a deceased priest is substantiated, the priest's name is added to the list.
- When an allegation of child sexual abuse involves a religious order priest working in a ministry of the archdiocese, such as a parish assignment, we remove the accused's faculties to minister in the archdiocese, contact the religious order and help facilitate the survivor's report. Every religious order with members living in the archdiocese is mandated to have a process for investigating such allegations.
- Since 2006, we have published the names of diocesan priests with substantiated allegations of abuse on our website. In 2014, we published more than 20,000 documents from these priests' files. These documents remain on our website.
- We update our website list as needed and have expanded it to include the names of religious order priests whose order has substantiated an accusation against them and who have been assigned to a ministry of the Archdiocese of Chicago such as a parish.
- We conduct background screenings for archdiocesan clergy, employees and volunteers and implement a comprehensive safe-environment training program for adults and children. Over the last two years, we trained more than 112,000 children in an age-appropriate manner on how to recognize, resist and report abusive behavior. To date, we have trained more than 263,000 adults in 3,700 training sessions.

As is required by the USCCB Charter for the Protection of Children and Youth, (the Charter) we audit our parish and school safe environment programs every year and, in turn, the archdiocese's compliance with the Charter is audited by the USCCB.

- Additionally, we have worked in collaboration with survivors to respond to their need for healing. This partnership has led to the development of the Healing Garden, an annual Mass for Hope and Healing and Pinwheel Service for Child Abuse Prevention, survivor-led peace circles, and the Healing Voices magazine.
- We always seek to improve our child protection and victim support efforts. We have repeatedly had our processes, policies and files reviewed by independent experts to help ensure we remain current with best practices.

In addition to these steps, the Archdiocese of Chicago fully cooperates with law enforcement, including with the Attorney General's investigation. We have made our employees available for interviews and provided access to hundreds of thousands of documents. We are committed to continuously reviewing our policies and will carefully consider any changes recommended by the Attorney General. Indeed, the archdiocese has already implemented a number of recommendations the Attorney General made during the course of the investigation such as expansion of the parameters of our website list.

From my earliest days as a bishop, I have dealt with allegations of child sexual abuse by putting the child at the center of my actions. In my experience, whether the abuse happened in the recent or distant past, the survivor speaks from the pain they suffered as that wounded and betrayed child. The Archdiocese of Chicago has long sought to heal them and prevent this crime from occurring again. I am personally committed to applying the highest level of vigilance to these efforts and to further strengthening our safeguards against abuse. I invite other institutions that care for children and civil authorities to join us in this work and consider adopting the procedures we have developed over the past three decades, so that all children are kept safe.

Ministers of Care

Ministers of Care (MOC) bring Holy Communion to those at home that are unable to come to church because of illness, advancing age, or disability. The MOC also share with them the word of God in scripture and pray with them. This is a wonderful ministry at OLPH.

We presently have 14 MOC calling on 27 parishioners. We know there are more that can use this service.

Please note that this service is not only for the homebound, but also for those in nursing homes and hospitals as well.

If you are in need of the services of the MOC and would like to receive Holy Communion at home, please call the OLPH Parish office at 847-729-1525. Leave your name, address, and phone number. The OLPH MOC will then contact you to make arrangements for a visit.

Sharing Ministry

June Visit and Meeting at the Northfield Township Food Pantry

The Sharing Ministry will hold its June meeting on **Tuesday, June 20** at 7:00pm at the Northfield Township Food Pantry, 2550 Waukegan Rd., rear of the building. Join us on a tour of the pantry and learn more about the outreach being provided through our local food pantry. All are welcome!

Constant Need for Non-Perishable Food

Please continue to hear the cry of the poor and help us ensure the sharing parish pantry shelves continue to be stocked. Donate non-perishables, leaving them at the church entries, the Sharing Resource Center entry when bins are out on Tuesday, Thursday and Sunday mornings, through the kids at the Sunday Offertory, or through Give Central.

Catholic Charities – Feed the Homeless

We are looking for donors willing to fund dinners at Catholic Charities, each serving 100 – 120 guests, at as many dates as we can cover in 2023. Last year we were able to raise enough funds to cover 10 evenings. Each dinner event costs \$600. Please help us to raise the funds to cover many more.

We are also in need of volunteers to serve the meal at Catholic Charities. Next visit will be on **May 30**. Please contact **Kathy Quinn**, khquinn1944@comcast.net for further information.

Volunteer Opportunity

Mobile Pantry at St. James

The Sharing Ministry at OLPH is sponsoring a sharing project at our sharing parish St. James on Wabash.

On **Saturday, June 10**, we are seeking volunteers to work at the St. James Food Pantry for assisting in the distribution of food from the Greater Chicago Food Depository. Pantry clients have said that the foods they need the most are fresh fruits and vegetables. The Mobile Pantry is one way we respond to this need by distributing over 5,000 lbs. of fresh produce to an average of 220 households in a span of 2 hours. The "mobile pantry" is set up in the parking lot adjacent to the St. James Parish Hall.

We plan to meet at St. James about 8:00am. You may drive on your own (2907 S Wabash Ave, Chicago), or meet at the OLPH parking lot by 7:00am to carpool. Activities consist of packaging food items and distributing food bags to pantry clients. ***This is also an ideal service project for teens.*** We usually finish by 12 Noon.

If you wish to participate, or if you have questions, please email or call us at 630-698-0753. In your reply let us know the number of family members who will participate. We will send out further instructions before the event. Thank you.
