

**Brothers and sisters:**

Put on, as God's chosen ones, holy and beloved,  
heartfelt compassion, kindness, humility, gentleness, and patience,  
bearing with one another and forgiving one another,  
if one has a grievance against another;  
as the Lord has forgiven you, so must you also do.

**And over all these, put on love,  
that is, the bond of perfection.**

## seek, share, rejoice - pastor's letter...

Fr. Jerry Boland, Pastor

Dear Parishioners,

*"And over all these, put on love."*

It is wonderful that during the Christmas Season we celebrate the Feast of the Holy Family. In addition to reflecting on the Holy Family we have this wonderful passage from St. Paul's Letter to the Colossians proclaimed this weekend, which encourages us to reflect on our own families. I would encourage all of us

to clip this passage and tape it to the front door of the refrigerator. For many families this is the place where not to miss messages get posted.

This passage has such inspiring words about the way we live with others, whether we live alone or have a house full of people.

We need to "bear with one another, we need live with compassion, kindness, humility, gentleness, and patience.

We can easily take for granted those who we cherish the most. It does not take much for resentments and estrangements to emerge. How often people are wounded by misunderstandings or poor choices that have significant impact on how we are treated. Not everything can be easily healed but if we embrace the wisdom of this reading the quality of our life will be so much better when we walk with one another both in times of grace and times of struggle.

I served for many years at the Church of the Holy Family on Roosevelt Road in Chicago. One of the wonderful features of this historic church is its stunning Main Altar. At the center is a copy of Murillo's masterpiece, "The Holy Family." The painting is surrounded by statues of Jesus's Aunt and Uncle, St. Zechariah and St. Elizabeth and his Grandparents, the parents of Mary, St. Joachim, and St. Ann. It is the family album of Jesus. We know so little about Jesus' childhood other than the reference in the Gospel today, relatives surrounded Jesus just like you and me. They loved him as do we!

I wanted to give a special shoutout to **Moira Haithcock** who is the heart and soul of our Religious Education Program. For years she has been one of those people that makes things happen. She is utterly devoted to our Religious Education Community and OLPH. Thank you, Moira, I do not know what we would do without you!

On this Holy Family Weekend, I acknowledge the special blessing our 9:30am Family Mass in McDonnell Hall is to our faith community. In the coming weeks we will begin our long-awaited renovation of McDonnell Hall. We will need to suspend that Mass until the renovation process is completed. I encourage these families to consider 9:00am or 10:30am. For the larger congregation, please be patient, there will be many more children attending those liturgies. These children are a blessing from God. When the weather improves later in the Spring, we hope to have a tent on the rectory lawn and hope to have outdoor Masses at 9:30am.

I love the holidays and so look forward to seeing our college students home. We miss you! Welcome back!

Loved attending a recent performance of the hottest band anywhere, Heard Immunity at Whiskey River. Many of our parishioners are members of this band. They rocked it!

I so enjoyed the recent performances of our School's Children's Choir and Band. These students were phenomenal.

I really appreciated presiding recently with our **Senior Deacon Jim Revord**. I so appreciate both he and his wife **Pat's** ministry. So many of Jim's family were present. What a blessing to celebrate this deacon couple's devotion to our parish.

I was sitting in the Church the other day just admiring how beautiful the church looked and could not help remembering **Sally Corbett** who died this past year and was such a tour de force regarding our liturgy and the decoration of the church. She formed the next generation of folks that have built on her vision. She is beaming in Paradise looking at how beautiful our Church is.

Congratulations to OLPH student **Veronica Tirpak** for her award-winning drawing of the Holy Family. Her drawing became the cover of our official school Christmas Card. All the entries were beautiful.

Thank you to **Russell Stern** and all our music ministers that have made this Christmas Season so profoundly beautiful.

**Fr. Patrick Kizza** is leaving this week to lead a group of parishioners on a safari to his beloved Uganda. Cannot wait to hear about it. Safe travels! They will celebrate Mass on New Year's Eve at the Shrine of the Ugandan Martyrs.

Happy New Year!

Very Rev. Jerry Boland

**On the Cover** - The Bulletin cover art of the Holy Family was created by **Veronica Tirpak**. Veronica, an OLPH 6th grader, won first place in an all-school contest. The illustration was featured on the school Christmas Card sent out to all OLPH parishioners.

Veronica said she was inspired by the journey of Advent, the busy times and the quiet times. Looking at the Holy Family on their way to Bethlehem, we can reflect on how our families are preparing to celebrate Jesus' birth on Christmas.

## CATECHIST SPOTLIGHT

Meet Mae Mae Kuhn an OLPH RE 2nd Grade Catechist

"I am a senior at Glenbrook South. I am a varsity swim team captain and participate in many service clubs as well. I joined the RE program because I loved my RE teachers that were high school students when I was younger. I wanted to get more involved as it's a little difficult sometimes while being a busy high school student. My favorite part of Religious Ed is definitely just building the relationships with the kids and the rewarding feeling that I get when seeing them so excited every week. I can't wait for the rest of the year and to see all that they can do!"

PARENT EFFECTIVENESS TRAINING

FEWER POWER-STRUGGLES, LESS TENSIONS, LESS RESENTMENT AND MORE PEACFUL FAMILIES

**WHAT YOU WILL LEARN**

The four basic skills every parent needs are:

1. How to talk to your children so that they will listen to you.
2. How to listen to your children so they feel genuinely understood.
3. How to resolve conflicts and problems in your family so that no one loses and problems stay solved.
4. A method for troubleshooting family problems and knowing which skills to use to solve them.

**WHO SHOULD ATTEND**

P.E.T. is for parents of children of all ages. Naturally, special considerations have to be made for pre-verbal children, which is covered in the workshop.

For questions or more information, please email us at: [pet.olphglenview@gmail.com](mailto:pet.olphglenview@gmail.com)

**WHAT IS PARENT EFFECTIVENESS TRAINING (P.E.T.)?**

Whether you're the parent of a toddler or a teenager, you know that parenting can be challenging—even overwhelming at times. Unfortunately, children don't come with an instruction manual. And, being a parent doesn't always mean that you automatically or instinctively know what to do. Parent Effectiveness Training (P.E.T.) offers proven communication skills that really work. When they use these skills, parents are amazed with the dramatic improvement both in their families and in all their relationships.

**HOW YOU AND YOUR FAMILY WILL BENEFIT**

Your children will feel free to discuss their problems and concerns with you instead of withdrawing.

They will learn self-discipline, self-control and an inner sense of personal responsibility.

You will learn how to work with each other instead of against each other.

You'll experience fewer angry outbursts and more problem-solving.

Everyone can participate in rule-setting so all will feel motivated to comply with the rules.

Fewer power struggles—less tension, less resentment, more fun, more peace, more love.
