seek, share, rejoice - pastor's letter...

Fr. Jerry Boland, Pastor

Dear Parishioners,

"The people were filled with expectation."

The Beatles in the 60's made popular the song, "The Long and Winding Road". The song written by **Paul McCartney** speaks a truth about life. We are all on the road of life, but it is never as simple as going from point A to point B. There are twists and turns, detours, and obstacles. Sometimes the road ahead seems clear and other times we can barely make it out. There are times when we should have gone left rather than right. Times we should have just stayed on the road we were on. Sometimes we are lost. Sometimes we hit a dead end. There are times when we feel we are in the middle of nowhere and other times we are in the right place!

The same can be said about our journey of faith. It has been a "long and winding road" since the human journey left the Garden of Eden. As a people of faith, we witnessed the Covenant between Yahweh and Abraham, we have been to the top of Mount Sinai with Moses from Passover to Exodus, we have been through the desert and the oppression of the Babylonians, the Assyrians, the Romans and finally we made it to Bethlehem.

As the Christmas Season draws to a close, we realize the road does not end in Bethlehem. This was a glorious moment but from the city of his birth the Lord's journey would take him to the Jordan River where his baptism by John would begin his public ministry. We will study intensely the long and winding road that would bring him from Galilee, to Jerusalem, to Mt. Calvary, to the empty tomb and beyond.

Through our baptisms we continue the journey on the long and winding journey of proclaiming the Good News.

We are not on the road alone! He is with us, guiding us, loving us.

Just like the folks in the scriptures, we are people filled with expectation as the New Year begins. As you read the Bulletin, you will see many opportunities to enrich your spiritual journey. Shortly our new Scripture Study program will be exploring the topic of Women of the Old Testament. Please consider attending.

As we gradually begin the renovation of McDonnell Hall, we must suspend the 9:30am Mass. It will return as soon as the construction is completed. We invite regular attendees of the 9:30am Mass to consider attending the 9:00am or the 10:30am Masses. I am grateful for everyone's patience during this time.

We are undertaking a census update of our parish records. There is a QR Code on the next page of this Bulletin that can help you review the contact information we have. People are always changing cell phone numbers and emails. Thank you for helping us gather the most updated information on you.

Congratulations to **Cardinal Wilton Gregory** on his retirement as Archbishop of Washington DC. What a career he has had on the American and Universal Church. It all began at OLPH when he was appointed an associate pastor here in 1973. I think he should come back here where it all began!

I am filled with great expectation as we look forward to Catholic School's Week. The liturgies on Jan. 26 will feature our school at the 9:00am and 10:30am Masses. As the largest Catholic School in the Archdiocese, we have much to celebrate.

I am sure I speak for all of us in expressing our deepest sympathies to **Fr. Jim Barrett** on the recent death of his sister **Nancy**. She was a wonderful person; I had known her for almost 50 years. May she rest in Peace.

As the Christmas decorations come down in the Church this week, I am so grateful to our Arts and Environment Committee for how beautiful the Church looked. We celebrated the Christmas Season with great vigor!

There are great pictures on Facebook of Fr. Patrick's Group tour of Uganda. They have been on a Safari, visited the Equator, the mouth of the Nile River and the Shrine to the Ugandan Martyrs.

Our Religious Education Program needs Volunteers. See the Bulletin for details and contact **Erin Bretts**.

Welcome back to our seminarians who have been away for the holidays. It will be great to have **Charlie, Andrew, and Jeff** back.

May your week be blest!

Very Rev. Jerry Boland

McDonnell Hall Renovation - Important Update

The long-awaited McDonnell Hall Renovation begins this month! For that reason, the **9:30am Mass in McDonnell Hall has been suspended** through the construction period, which will last at least 6 months. We will announce the return of the 9:30am Mass once we get closer to that date. We appreciate your patience and understanding as we commence with this vital project.

TEN COMMANDMENTS

TO CONSIDER WHEN CONTRIBUTING TO SHARING

The Sharing Committee is extremely grateful for the generosity of parishioners over the past 43 years. We are often overwhelmed by the outpouring of goods for the needy. OLPH volunteers work many hours to sort, organize and coordinate pick up or delivery of donations. To facilitate the sharing process, please consider the guidelines outlined below.

1. **Non-perishable food items continue to be our greatest need.** Please donate items with their original seal and within their expiration date. Avoid glass containers.
 2. We are abundantly blessed to be able to give so generously. **Please consider the dignity of the needy when evaluating what to donate.** Those receiving will appreciate items that are clean and in good repair. Ask yourself whether you would be comfortable passing an item on to someone you know.
 3. When donating your gently worn, clean, in season clothing, please deliver them to the Sharing Room **folded in boxes or bags, or on hangers if fresh from the cleaners, keeping weight of bags manageable for our volunteers.** All types of clothing are welcome with the exception of used undergarments (men's undershirts are welcome).
 4. **Shoes should be gently worn.**
 5. Small household items in clean, good condition are welcome. **Small appliances need to be complete and in working order.** We cannot accept TVs.
 6. **Contact the Parish Center for donation of larger furnishings.** We will contact you to discuss the items. If they are in good condition and we are sure we have an outlet for the goods, pick-up or delivery will be arranged. Please do not deliver furniture or appliances to the Sharing Room without authorization.
 7. **We can only accept NEW toys.**
 8. We do find homes for most books, **but are unable to find outlets for encyclopedias and textbooks.**
 9. **Please do not donate redecorating or construction materials.**
 10. Please be mindful that the **dumpsters outside the Sharing Room door fill routinely with items we do not feel comfortable passing on.** This creates an unnecessary expense and reduces funds for the poor.
- Thank you for your consideration of these guidelines!

PARENT EFFECTIVENESS TRAINING

FEWER POWER-STRUGGLES, LESS TENSIONS, LESS RESENTMENT AND MORE PEACFUL FAMILIES

WHAT YOU WILL LEARN

The four basic skills every parent needs are:

- 1. How to talk to your children so that they will listen to you.
- 2. How to listen to your children so they feel genuinely understood.
- 3. How to resolve conflicts and problems in your family so that no one loses and problems stay solved.
- 4. A method for troubleshooting family problems and knowing which skills to use to solve them.

WHO SHOULD ATTEND

P.E.T. is for parents of children of all ages. Naturally, special considerations have to be made for pre-verbal children, which is covered in the workshop.

For questions or more information, please email us at: pet.olphglenview@gmail.com

WHAT IS PARENT EFFECTIVENESS TRAINING (P.E.T.)?

Whether you're the parent of a toddler or a teenager, you know that parenting can be challenging—even overwhelming at times. Unfortunately, children don't come with an instruction manual. And, being a parent doesn't always mean that you automatically or instinctively know what to do. Parent Effectiveness Training (P.E.T.) offers proven communication skills that really work. When they use these skills, parents are amazed with the dramatic improvement both in their families and in all their relationships.

HOW YOU AND YOUR FAMILY WILL BENEFIT

Your children will feel free to discuss their problems and concerns with you instead of withdrawing.

They will learn self-discipline, self-control and an inner sense of personal responsibility.

You will learn how to work with each other instead of against each other.

You'll experience fewer angry outbursts and more problem-solving.

Everyone can participate in rule-setting so all will feel motivated to comply with the rules.

Fewer power struggles—less tension, less resentment, more fun, more peace, more love.
