There are different gifts
but the same Spirit.

1 Cor 12:4

seek, share, rejoice - pastor's letter...

Fr. Jerry Boland, Pastor

Dear Parishioners,

"There are different gifts but the same Spirit."

Dealing with differences is a major challenge in life.

The great Swiss psychologist, **Jean Piaget** taught that one of the major breakthroughs in our cognitive development is when we come to the realization, we are not the center of the universe.

As infants we cry and we are fed, we scream, and Mom or Dad come running. We soon discover that there are others who have needs and desires.

Navigating the world of me vs. us is never easy. We learn to deal with differences. I do not rule the universe, there are others whose needs are more important. There are times when I need to share or defer to those who have wisdom and experience.

We learn as we get older who we are and the unique gifts the Lord has blessed us with. We learn from each other, no one is perfect, no one has cornered the market on gifts and talents. In God's great design we all bring our gifts into life and the more we see ourselves in community the healthier we are.

This sense that we are better together is a foundation to Jesus' teaching. The community he was inviting us to belong to would be made up of people with many different gifts but created by the one God, the one Spirit.

Our second reading from Paul's First Letter to the Corinthians speaks so powerfully to this reality. The Church in Corinth was bitterly divided and there was significant conflict. No one would give in. Everyone thought their way was the only way.

The teachings of Jesus invite us to build bridges rather than walls. We need to work harder at understanding differences, we need to seek common ground and appreciate the deeper levels of life that unify us. "There are different gifts but the same Spirit."

The challenge to live amid differences is a challenge for a family, for a parish, for the world!

Several of our parishioners are dealing with family members and friends who have been devastated by the fires in Southern California. We must pray for the safety of all, especially First Responders who have been nothing short of heroic.

This coming Monday is a day of significance. As a nation we remember the extraordinary contributions of **Dr. Martin**

Luther King Jr. He challenged America to deal with what many call our Original Sin, racism. He challenged us to address this racial wound that had so significantly divided America. We are still on the road to racial healing, but progress has been made but this "wound" is never far from the surface. We must pray for endurance to keep confronting the forces of racial injustice and evil.

Monday also marks the Inauguration of **President Donald Trump**. We pray for his success. We are deeply divided as a nation and might all benefit from a reflection Paul's letter proclaimed this weekend. Inauguration Day is a time for a national new beginning. We need to find ways to work to achieve, "a more perfect Union." Our Constitution acknowledges that the American Republic is built on the desire for progress; never an easy journey.

OLPH has been designated a pilgrimage site for the Holy Year that began on Christmas Eve by **Pope Francis**. Most people will not be able to visit the five Holy Doors in Rome, so each diocese was asked to designate some churches that pilgrims could visit and participate in the Holy Year. The theme of the Holy Year is, "Pilgrims of Hope."

The Pope feels that there are so many people dealing with war, poverty, and fear. The Christian Gospel is rooted in the promise of Hope. I pray that one of the graces we will all receive is a renewed sense of hope in our lives. I have already met several pilgrims visiting our parish to observe the Holy Year. If you would like to visit one the pilgrimage sites to commemorate the Holy Year, here they are:

Prayer for the Jubilee Year

Father in heaven, may the faith you have given us in your son, Jesus Christ, our brother, and the flame of charity enkindled in our hearts by the Holy Spirit, reawaken in us the blessed hope for the coming of your Kingdom.

May your grace transform us into tireless cultivators of the seeds of the Gospel. May those seeds transform from within both humanity and the whole cosmos in the sure expectation of a new heaven and a new earth, when, with the powers of Evil vanquished, your glory will shine eternally.

May the grace of the Jubilee reawaken in us, Pilgrims of Hope, a yearning for the treasures of heaven. May that same grace spread the joy and peace of our Redeemer throughout the earth. To you our God, eternally blessed, be glory and praise for ever. Amen

– Pope Francis

“There are different gifts but the same Spirit.”

Youth Ministry

Optimist Club Award Winners

The Glenview Optimist Club is a community service organization dedicated to “bringing out the best in children.” For over 50 years, the Glenview Optimist Club has sponsored the Ralph Lynch Sr. Youth Appreciation Awards recognizing high school juniors and seniors for their accomplishments in one of five areas:

- Scholarship,
- Sportsmanship,
- Citizenship,
- Vocational Ability,
- Religious Service.

These young individuals are nominated by their teachers, counselors or clergy for their outstanding contributions to their schools, communities and places of worship.

Our Youth Ministry Coordinator, **Zoe Sundstrom**, nominates our OLPH teens in the area of Religious Service. This year we are proud to recognize our award recipients **Emily Mathias** and **Thomas Jachtorowycz**.

Emily Mathias

Emily Mathias is a dedicated, engaged, thoughtful and compassionate young woman. During her high school years, she was an active member of the OLPH parish family, Glenbrook South High School community and other local communities.

Within the Glenbrook South community, Emily was a member of the both the GBS swim and water polo teams, the Speech Team and Cause for Paws. As a member of the Interact Club, Emily led her peers in a variety of service opportunities including; going to a neighboring community to help individuals with special needs develop skills for socialization and interaction and leading a “snow angels” effort to shovel snow for the elderly during Chicago’s large snowfalls.

Perhaps her greatest contribution was being chosen by GBS teachers and staff to be a Peer Group Leader.

Emily was one of five high school students the Chicago area chosen to complete a summer internship with Rayes Holdings. She interned in their IT department, completed a project that is currently helping the company and presented their project to the executive leaders.

During her summers, Emily is a lifeguard at the Glenview Park District pools. She also enjoys swimming and playing water polo for the New Trier Club Team and skiing with her brother in the Avalanche Ski Club.

Emily is here today as one of the original members of Youth Ministry at Our Lady of Perpetual Help. She has been an active and engaged member and seen us through many changes, successes and flops, always bringing her ideas, joy and hope. Her perspective and dedication have formed her into a natural leader in our ministry.

Emily is reliable and responsible and is a friend to so many. She welcomes our new friends with a warm smile and an invitation to “come join us.” Emily is a compassionate listener and always looking to support the teens in our group. The teens look to Emily for guidance and as a model for how to treat others.

Fr. Jerry Boland with Emily Mathias

Emily is particularly helpful to the Youth Ministry Coordinator as she participates in almost all of our events, offers to come early to help set up and/or stay late to help clean up. One of Emily’s greatest strengths is her creativity and willingness to share new ideas, and then follow through in making them happen. She is also our most reliable teen usher at the 5:00pm Sunday Mass.

All of Emily’s actions, in her family, in her GBS family and in her OLPH family, flow from her deep Catholic faith and her desire to treat all others as children of God. Thank you, Emily for being so awesome! You will be missed.

Thomas Jachtorowycz

Thomas Jachtorowycz is a dedicated and reliable member of the Youth Ministry Program at Our Lady of Perpetual Help. He is also active in a variety of programs at Glenbrook South High School and in his greater community.

In his four years at GBS, Thomas participated in a wide range of activities and clubs including Gamers Club and Cause for Paws. For three years he has been an active member of the Titans Stars cheer program, practicing for and cheering at GBS home basketball games.

In the summer of 2023, as a volunteer through Habitat for Humanity, Thomas helped build a new home for a family whose home burned down in Manistique, Michigan. He most enjoyed painting the outside of their new home and the time near Lake Superior. Thomas met and befriended the daughter of the family and they are still in contact.

seek, share, rejoice -youth ministry, r. e., summer camp...

Thomas LOVES animals. He has volunteered at Heartland Animal Shelter and Wagner Farm over his summers and on weekends. He and his family have fostered many puppies until homes are found for the little friends. Thomas is kind, gentle and loving, to all of God's creatures.

Thomas' Catholic faith is very important to him. He attends Mass regularly and frequently seeks out the Sacrament of Reconciliation. Thomas is a passionate member of the Youth Ministry Program at OLPH and the SPRED Program at St. Catherine Labouré.

He attends every event that he is in town for and is always willing to be of service. Thomas has recently begun to offer his ideas to the group which is greatly appreciated and respected.

Thomas Jachtorowycz

On Good Friday 2024, Thomas portrayed Jesus in the OLPH Living Stations of the Cross. It takes a special young man to say "yes"

to serve in this role. Thomas carried the Cross, stopping at each Station, as younger children reenacted the Passion, crucifixion and death of Jesus. His poise, patience and humility were reciprocated by the younger children involved and all who attended. Thank you, Thomas!

Those who know Thomas have heard him say on many an occasion, "Jesus is in my heart" or "I have taken Jesus as my Savior." It is from this love of Jesus that his service for all flows.

PARENT EFFECTIVENESS TRAINING

PARENT EFFECTIVENESS TRAINING

FEWER POWER-STRUGGLES, LESS TENSIONS, LESS RESENTMENT AND MORE PEACFUL FAMILIES

WHAT YOU WILL LEARN

The four basic skills every parent needs are:

1. How to talk to your children so that they will listen to you.
2. How to listen to your children so they feel genuinely understood.
3. How to resolve conflicts and problems in your family so that no one loses and problems stay solved.
4. A method for troubleshooting family problems and knowing which skills to use to solve them.

WHO SHOULD ATTEND

P.E.T. is for parents of children of all ages. Naturally, special considerations have to be made for pre-verbal children, which is covered in the workshop.

For questions or more information, please email us at: pet.olphglenview@gmail.com

WHAT IS PARENT EFFECTIVENESS TRAINING (P.E.T.)?

Whether you're the parent of a toddler or a teenager, you know that parenting can be challenging—even overwhelming at times. Unfortunately, children don't come with an instruction manual. And, being a parent doesn't always mean that you automatically or instinctively know what to do. Parent Effectiveness Training (P.E.T.) offers proven communication skills that really work. When they use these skills, parents are amazed with the dramatic improvement both in their families and in all their relationships.

HOW YOU AND YOUR FAMILY WILL BENEFIT

Your children will feel free to discuss their problems and concerns with you instead of withdrawing.

They will learn self-discipline, self-control and an inner sense of personal responsibility.

You will learn how to work with each other instead of against each other.

You'll experience fewer angry outbursts and more problem-solving.

Everyone can participate in rule-setting so all will feel motivated to comply with the rules.

Fewer power struggles—less tension, less resentment, more fun, more peace, more love.

TEN COMMANDMENTS

TO CONSIDER WHEN CONTRIBUTING TO SHARING

The Sharing Committee is extremely grateful for the generosity of parishioners over the past 43 years. We are often overwhelmed by the outpouring of goods for the needy. OLPH volunteers work many hours to sort, organize and coordinate pick up or delivery of donations. To facilitate the sharing process, please consider the guidelines outlined below.

1. **Non-perishable food items continue to be our greatest need.** Please donate items with their original seal and within their expiration date. Avoid glass containers.
2. We are abundantly blessed to be able to give so generously. **Please consider the dignity of the needy when evaluating what to donate.** Those receiving will appreciate items that are clean and in good repair. Ask yourself whether you would be comfortable passing an item on to someone you know.
3. When donating your gently worn, clean, in season clothing, please deliver them to the Sharing Room **folded in boxes or bags, or on hangers if fresh from the cleaners, keeping weight of bags manageable for our volunteers.** All types of clothing are welcome with the exception of used undergarments (men's undershirts are welcome).
4. **Shoes should be gently worn.**
5. Small household items in clean, good condition are welcome. **Small appliances need to be complete and in working order.** We cannot accept TVs.
6. **Contact the Parish Center for donation of larger furnishings.** We will contact you to discuss the items. If they are in good condition and we are sure we have an outlet for the goods, pick-up or delivery will be arranged. Please do not deliver furniture or appliances to the Sharing Room without authorization.
7. **We can only accept NEW toys.**
8. We do find homes for most books, **but are unable to find outlets for encyclopedias and textbooks.**
9. **Please do not donate redecorating or construction materials.**
10. Please be mindful that the **dumpsters outside the Sharing Room door fill routinely with items we do not feel comfortable passing on.** This creates an unnecessary expense and reduces funds for the poor.

Thank you for your consideration of these guidelines!
