## seek, share, rejoice - pastor's letter...

Fr. Jerry Boland, Pastor

Dear Parishioners,  
"Together we bring hope."

This is Commitment Weekend for the 2025 Annual Catholic Appeal. The theme of this year's appeal is, "Together in Hope", which echoes the theme of the Holy Year, "Pilgrims of Hope."

As we reflect on the theme of hope, as a parish, a diocese, and a universal Church, we are reminded

that our sense of belonging transcends family and parish to a much broader reality.

The Gospel from Luke presents a challenging case for the remarkable commitment it takes to be Christian. We are called to relinquish our need to be self-centered and in control. In fact, we are challenged to be a radical "other-centered" person. Love those you hate, pray for those who mistreat you, be merciful, stop judging others. "Give, and gifts will be given you."

This Gospel passage is not the easiest to hear. We are surrounded by voices that can be so mean spirited and selfish in tone. Just listen to the political rhetoric we are inundated with that borders on cruelty to those who are

different. Intolerance has been on the resurgence and the dignity of the human person is being dismissed for economic gain.

We need to embrace these challenging aspects of what it means to follow in the footsteps of Our Lord. Where do I need to challenge myself to be more loving, patient, and merciful? How do I participate in the building up of others rather than tearing them down? Where do I need to be reconciled and healed?

We are called to move away from just living for ourselves and being isolated to be a life-giving spirit for others. I see this being witnessed in a marriage where both spouses are committed to mutual love and care for one another. I see this witnessed in the unconditional love of a parent in which there is such generous presence to their children, I see this in the witness of service in ministry to the larger community.

If a Church is really a credible witness in the world, its mission must embrace the formation of people considering this weekend's Gospel mandate. We, together, grounded in Our Lord's proclamation of the Kingdom of God, seek to be a part of the transformation of the world. This is a process, in which each generation presents new issues, new challenges to apply the vision of Jesus' mandate to "love one another."

## Please Make Your Gift to the 2025 Annual Catholic Appeal

### Together we bring hope

I invite you to spend some time this week reflecting on the Annual Catholic Appeal materials you should have received from the back of the church or in the mail. The Annual Catholic Appeal is much different than a one-time special collection. It is a pledged commitment to make a gift over time. Your pledge can be made payable in installments.

Each pledge makes a difference because all parishes participate in the Appeal and the gifts of many enable our archdiocese to deliver needed ministries and services and to extend a worldwide hand of help through Catholic Relief Services. It is our way to affirm the theme of this year's Appeal: *Together we bring hope*.

If you received your pledge form in the mail, please complete it and mail it back. This year, we also encourage our parishioners to make their Annual Catholic Appeal gifts online at [annualcatholicappeal.com](https://annualcatholicappeal.com)

# seek, share, rejoice - events, both spiritual and social...

(cont. from page 2)

The Annual Catholic Appeal is one way through our prayers and financial support we can be part of responding to the needs around us. Resources raised are used to help struggling parishes, we can provide resources to improve and invest in our schools and religious education programs. We can provide more resources for the ministry formation of the adult community and encourage respect life and peace initiatives in the Archdiocese of Chicago. Resources also support Catholic Relief Services that assists those suffering from illnesses, natural disasters, and the ravages of war.

Please consider making a pledge! Many of you may have already received an invitation to participate in the mail, this weekend we will participate in an in-pew process.

Congratulations to all those to be confirmed on Saturday by **Archbishop Designate Casey**. I recently had the privilege of interviewing many of them and I was so impressed by their desire to grow in faith and to receive the gifts of the Holy Spirit. This weekend's gospel would be a great passage to reflect on as one is being confirmed, just what is the Lord asking me to become? Congratulations also to their Sponsors. You were selected because of the influence you have had, living out your faith.

This Sunday, the Youth Ministry program will have Spaghetti and Service Night after the 5:00pm Mass. **Linda Rockwell** will be sharing with the teens what Honor Flights for Veterans is all about. They will reflect on how important it is to honor and recognize our Veterans.

Also, this Sunday is our Annual Blood Drive on Sunday, Feb. 23 in the Playdium. Please consider donating.

We are in the dog days of winter, great to turn our thoughts into good times ahead! Our annual Round Ball Tournament begins on March 7. The best St. Patrick's Day party anywhere is Saturday, March 8.

May your week be blessed,

Very Rev. Jerry Boland

## seek, share, rejoice - bill thome tribute...

### *Bill Thome - a tribute*

April 9, 1932 – January 16, 2025

The Sharing Ministry recently lost one of our heroes, **Bill Thome**. He was a 6:00am fixture in the Sharing Resource Center (SRC) six days a week for over 20 years. He and **Ed Krupa** started each sharing day, organizing what had come in. They would then head to Trader Joe's where Bill organized and worked a daily effort to pick up and deliver day old goods from the store. These donations often fill two or more SUV's. Northfield Township Food Pantry, Niles Township Food Pantry, Sacred Heart Convent in Wilmette, Glenview Youth Services and other locations looked forward to his visits and appreciated these deliveries.

On Saturdays he and Ed picked up from Costco and ensured these items found their way to those in need. Sunday mornings found him volunteering as an usher at 6:30am, later 7:30am Mass, a service he performed for over 20 years. In between, he found time to serve with the Knights of Columbus on the OLPH Fr. Dussman Council. He was a 4th degree and served with the Knights for 27 years.

Though Bill retired at age 70, he did not pursue a retirement bucket list of adventures. He poured himself into deeper involvement with his kids and grandkids, stepped into big roles with Sharing and the parish. He continued working hard, but this time for God's family. Bill performed his ministry work into his 90's.

When physical challenges started slowing him down, he reported to the SRC with a walker or a cane, but he would be there. He would often ditch these walking aids and be lifting and moving about at risk, but his inner drive to work and make a difference would always override his personal needs. Nothing would hold him back.

One day, making a run to Sacred Heart Convent with a full load of produce from Trader Joe's, there was an accident. Bill's car was totaled and he was hospitalized. In the face of this adversity, Bill's primary concern was the produce that was still in his car. He only found peace when he learned that a Sharing team had rescued the food from his impounded vehicle.

Bill, through his humility, patience, kindness, dedication, joyful spirit, compassion, perseverance, gentleness, and faithfulness, left his mark on all who had the privilege to work with him.

## Community Announcements

### Congratulations!

Glenview Public Library's Post (2/5/25)

Last night at the Village of Glenview board meeting, Library Director Lindsey Dorfman, GPL board member **Carol Schmitt**, and Friends of Glenview Public Library President and OLPH parishioner **Lenore Pettinger** were on hand to receive an Environmental Sustainability Award for the work that has been done on the Library terrace. Sponsored by the Village's Environment & Natural Resources Commission, the awards honor local organizations that take the lead on environmental stewardship, innovative best practices, and community outreach.

In 2023, GPL started a journey to transform the rooftop terrace into a sustainable native habitat. The terrace features native plants and flora, a water source for birds and insects, bee hotels, and comfortable seating, funded by the Friends of Glenview Public Library - Used Book Store. The space serves as a welcoming oasis for both people and wildlife, blending the beauty of nature with the joy of reading.
