seek, share, rejoice - pastor's letter...

Fr. Jerry Boland, Pastor

Dear Parishioners,
"He saw and believed."

Happy Easter!

The world rejoices this Easter Sunday as we recall that central moment of the Christian faith, the resurrection of Jesus Christ. The first of the apostles to enter the tomb was John. As the Gospel reports, "He saw and believed."

There comes a point in our Christian journey of faith that we must simply believe. There comes a point in our discernment that we must take the leap of faith and believe.

This year marks the 1700th anniversary of the Nicene Creed which centers on the statement, "he rose again on the third day in accordance with the scriptures".

Jesus left death behind and embraced life. As his disciples, we must leave sin and death behind to embrace the eternal life the Lord invites us to share.

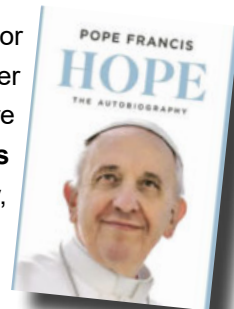

Leaving behind sin and death is easy to say but difficult to do. We must surrender ultimate control of our destiny to Christ. We need to look beyond the surface of things to the deeper spiritual truths that are the foundation of our faith.

This Sunday we celebrate the greatest of all feasts. As we hear again the events that surrounded Our Lord's passion, death, and resurrection we join voices of faith with the acclamation, "I believe"!

We celebrate all those who will be born again in the life-giving waters of baptism and those who have been received into the community of faith. Special thanks to **Fr. Larry Basbas** who heads our ministry of the Order of Christian Initiation. It is a yearlong process for most and it marks such a significant moment in the life of all those who have been on a journey of discerning their desire to deepen their faith by being baptized or received into the Church. Thousands of people throughout the world will join the Catholic community and bring with them new life, new energy, new gifts. They make Easter real. New life in Jesus Christ. Alleluia!

Our Church never looks better than it does at Easter. Thank you to the scores of people who decorate the church, the liturgy committee, the musicians, the lectors, Eucharistic Ministers, greeters, priests and deacons. Thank you! He is Risen! Alleluia!

Our parish is a pilgrimage site for the Holy Year. This Year we center our thoughts on the theme, we are "Pilgrims of Hope." **Pope Francis** recently published his autobiography, "Hope." It is really worth reading. He has had an extraordinary life with many aspects of his life I was unaware of. The Pope writes that, "we must not stumble upon tomorrow; we must build it."

The Pope anticipates that we are at the dawn of a new era of change. We must never lose hope. He quotes the Turkish Poet, **Nazim Hikmet**:

*The most beautiful sea hasn't been crossed yet.
The most beautiful child hasn't grown up yet.
Our most beautiful days we haven't seen yet.
And the most beautiful words I wanted to tell you I
haven't said yet.*

May this upcoming Easter season be one of untold graces for all of us.

He is Risen!

Congratulations to two of our parishioners who have been designated Hometown Heroes by the Village of Glenview for their service to our nation: **Fr. Bob Borre** who was a major in the Air Force/Army and **Alfred Brownlee**, SFC in the Army. We are so proud of you both.

On behalf of **Sr. Paulanne Held** and **Dr. Amy Mills**, thank you for your support of our upcoming recognition by Mundelein Seminary at the Celebration of Mundelein event to be held at the Four Seasons Hotel in downtown Chicago. **The event is now sold out.** This is a wonderful recognition of Our Lady of Perpetual Help.

The most ancient greeting on Easter, which dates to the First Century:

"HE IS RISEN! HE IS RISEN INDEED!"

Fr. Jerry Boland

An Easter Message *from Sister Paulanne*

Dear Parishioners
Happy Easter!

Thank you for your generous support of our Needy Family Fund. During a year of great turmoil in our world, your generous support is amazing. Know that my prayers are with you.

In a world of uncertainty, more people struggle every day. They do not have a full-time job, enough food, hygiene products, gas for the car, or money to pay bills. They live in fear of the future. Where will they go? What will they do? How will they provide for their family? You help us respond to their needs. Working together to help people feel they can move forward is very important. Your great support and generosity give people confidence and the courage to find ways to succeed.

Children suffer a great deal when they are homeless. How do they learn, feel good about themselves when they live in the car, a shelter, or in the woods? They become isolated, angry, and live in fear. Children need to be secure and motivated.

God needs to be the center of our lives every day. We need to give strength and hope to those who have none. We need to go to Mass as family. The Eucharist must be key in our Faith. We cannot empower others if God is not first in our lives.

We must work together to change our society, our government, and our communities. We need to build strong family values and respect for one another. We need to educate and motivate our children in a strong educational environment. When we create sufficient job opportunities and provide the basic necessities for one another, we know this is the answer to building strong communities, which in turn, build a great nation!

We must live the message of the Gospel by feeding the hungry, clothing the naked, housing the homeless and educating our children. Christ told us, "What you do to the least of my people, you do to ME."

May God Bless you generously for making a better world each day!

Peace
Sister Paulanne

Jesus, Our Strength, Our Song, Our Soul's Salvation

When I wander in the desert
It's living water that you bring.
When I stumble in the darkness
You come as light so I can see.
When I sink into the depths
Of every unforgiving ocean,
You lift me up and whisper
"I am your strength,
Just let it be."

When the soundtrack of my day
is filled with discord,
When the notes my body plays are all off-key,
You wash ashore.
Your gentle waves restore the rhythm to my days
And orchestrate a humble harmony.
As maestro, you direct my every move,
You, the bow that glides along my strings.
Your gentle hands caressing all my keys,
teasing out
A melody that soothes and calms my fear,
And you become my song so soft,
so sweet, so clear.

And when like broken souls we cry in grief
For those who die and seem to disappear,
You let us know that they are hovering near
Like sparks of light they circle here,
For those we love are never gone
But linger at the rosy glow of dawn.
As day glides in upon a misty breeze
Their voices softly whisper in the trees.
They draw our hearts to heaven above
To feel the presence of wondrous love
That saves all souls and sets them free
To dwell with him eternally.
Jesus, our soul's salvation.

Easter 2025

Dear Sisters and Brothers in Christ,

For more than a thousand years, the Church has sung five words that capture the message of Easter: *Christ our hope has risen.*

This simple phrase powerfully expresses the conviction that our hope is the very person of the Risen Christ. He not only rose from the dead two-thousand years ago but is present and active in our world today. As the Risen One, he shares with us his victory and triumph over sin and death, drawing us into the fullness of life that God has ever desired for humanity. Yes, indeed Christ our hope has risen.

We recall this core belief in this Jubilee Holy Year when Pope Francis has called us to be *Pilgrims of hope*. This is an invitation to be a people who journey together, confident that we are sustained by this closeness to the Risen Christ as we face the challenges of life. As pilgrims of hope, we walk with the Risen One and lean on his presence for personal support, but we also discover the power to bring hope to our world, our families, communities, workplaces, and nation. This is a great grace and responsibility.

May our Easter faith that Christ our hope has risen grow stronger, so that we will join in his work of bringing hope to our world with new enthusiasm, putting aside all of our fears and anxieties, in the knowledge that by conquering death, the Risen Lord has given us the sure hope and promise that we too have risen with him and will live forever. Yes, Christ our hope has risen and so have we. Happy Easter!

Sincerely yours in Christ,

St. Faustina with the image of Divine Mercy

What is special about Divine Mercy Sunday?

In 1931, **Maria Faustina Kowalska**, a Polish nun, reported visions and visitations from Jesus and conversations with him. He asked her to paint the vision of his mercy pouring from his Sacred Heart and specifically asked for a feast of Divine Mercy to be established on the first Sunday after Easter Sunday, so that mankind would take refuge in him.

Jesus spoke these words to St. Faustina:

"My daughter, tell the whole world about My inconceivable mercy. I desire that the Feast of Mercy be a refuge and shelter for all souls, and especially for poor sinners. On that day the very depths of My tender mercy are open. I pour out a whole ocean of graces upon those souls who approach the Fount of My Mercy. The souls that will go to Confession and receive Holy Communion shall obtain complete forgiveness of sins and punishment. On that day all the divine floodgates through which graces flow are opened." (Diary, 699)

In April 30, 2000, then-Pope **John Paul II** declared that the second Sunday in the Easter season, already referred to as Divine Mercy Sunday, is to be understood and acknowledged by the faithful as a day of complete mercy. On the same day, he canonized Maria Faustina Kowalska as St. Faustina.

SPRED Testimonials

SPRED is a vital ministry that welcomes children and adults with developmental disabilities and leads them toward a deeper awareness of God in their lives, an awareness of themselves as persons of dignity who are deeply loved by God, and an awareness of their integral relationship to the parish community and the entire Church.

Become a part of this wonderful program, either as a student or as a volunteer teacher, email **Grace Martinsen** at gdmartinsen@gmail.com or **Mary McCool** at marymccool411@gmail.com

Margaret Pasquesi

"I have had the privilege of cantoring many SPRED services over the years. Whenever I am asked to participate in a SPRED Mass, I am elated. As a sensory learner myself, I am drawn into a SPRED Mass because of the simplicity and joy of the liturgy: the music, the gestures, the movement, the intentional setting of Our Lord's table.

The three sentence Homily repeated to every section of the church speaks to my heart, as it often distills the scripture down to this:

I am a beloved child of God, my life has purpose and meaning, and I am to love others.

A SPRED Mass reminds its larger community of the essentials of Catholicism.

A healthy SPRED community does not rely on one or two people. There is one friend for every student. The friend does not need to know anything about disability or theology, just a willingness to know that they themselves are a beloved child of God, their lives have purpose and meaning, and they are to love others. What a beautiful job description!

The impact of having SPRED as a visible part of the parish community is to remind that community that the life of a Catholic is not really all that complicated, as SPRED calls us to keep Christ's message in action focused and clear: To receive God's love. To rejoice in God's love. To trust in God's love. And to share God's love with others."

Our share of the funds will help us to accomplish our important parish priorities.

- Upgraded Campus Security
- Air Conditioning For Our School
- Glenview Road Entrance
- Sister Paulanne's Sharing Parish Legacy Gift
- Refurbish Our Pews

If you have any questions regarding the campaign, please reach out to Fr. Jerry or a campaign leader: John and Maureen Clifford, Dave and Dawn Ludden, Bill and Kilby Macfadden, Bob and Anne Michels.

Mariana Robles, Campaign Director - mrobles@ccsfundraising.com

CAMPAIGN PRAYER

*God of abundant and generous mercy,
we gratefully acknowledge the many gifts
you have given us across the years
from the sacrifice of generations before us.*

*And so, we confidently trust that you will
walk with us into the future.*

*We echo the words of the Blessed Virgin
Mary: truly, your mercy is from generation
to generation.*

*Help us now to respond generously to your
gifts, as we support our Church in the
Archdiocese of Chicago
and work to bring faith forward
for the generations that follow us.*

*By your grace and help, let our gifts be a
blessing for our children, our
grandchildren,
and those who follow them.*

Through Christ our Lord.
