## seek, share, rejoice - pastor's letter...

Fr. Jerry Boland, Pastor

Dear Parishioners,

*"We are surrounded by a great crowd of witnesses."*

There are many reasons that the Church has endured challenges over its 2000-year history. It is amazing what the church has faced. **John McGreevy's** epic work, "Catholicism", in which he chronicles the history of the Church since the French Revolution, makes one wonder just how the

church survived such dramatic social, cultural, and political divisions. Each generation has posed issues and changing circumstances that would have seemed insurmountable.

The main reason for the Church's endurance would be the Holy Spirit, which continues to guide and shape the mission.

Another major source of its perseverance and endurance has been the witness of faith by committed courageous and persuasive witnesses to the Gospel of Jesus Christ. In the Letter to the Hebrews proclaimed this weekend, we hear about the power of faith filled witness.

A few years ago, I participated in a pilgrimage to Greece and Türkiye in which we followed in the footsteps of St. Paul. The explosive growth of Christianity in the 2nd century has been a source of historical and religious research. By the 2nd century, all those who had known Jesus directly had died. The mission, the preaching, the liturgical life of the Church was now in the hands of a new generation whose faith relied solely on the testimony of those who were convinced of the power of the Good News. Their witness of faith was responded to by an avalanche of people who wanted to belong.

**Rodney Stark's** influential book, "The Rise of Christianity," attributes the rapid growth of the church to the compelling witness of the 2nd century believers. These first believers formed intense communities that witnessed to the Christian virtues of faith, hope, and love. Others saw the way the early Christians cared for each other and looked out for one another. The Christian lifestyle was a dramatic difference to the pagan cultures that were based on the survival of the fittest and little regard for the well being of others. Over the centuries we have been "surrounded by a great crowd of witnesses."

I am always struck how, in a parish, power of witness strengthens the bond of community and defines us as believers. There are tremendous graces that come from our dogmas, history, and tradition. Another compelling grace is looking around and seeing deeply committed

believers in our midst. Just review the history of OLPH! We have been blessed by a legacy of faith that goes back to our founding in 1919. It is not just the voices of the past but the living witness of those here in the present, that challenge, comfort and encourage us so we can hand on our parish to future generations.

As we start a new program year with the beginning of efforts like the School, Religious Education, Youth Ministry and Scripture Study, to mention just a few, hearts will be touched, imaginations broadened, and faith deepened. We here at OL certainly have a "great crowd of witnesses" to spur us on.

I am very encouraged by the Teen Board that **Erin Bretts** is forming. This will be an opportunity for our high school students to gather and witness their faith and participate more significantly in our parish through service and leadership. We need their voices! They must have a place at the table where the needs and hopes of our parish are reflected upon. Please see page 4 of this Bulletin for more details.

The annual observance of the World Day of Prayer for the Care of Creation is quickly approaching. We have this wonderful tradition of gathering with the community of Sts. Peter and Paul Greek Orthodox Church to reflect on the blessed gift of creation and our responsibility to care for it. Our observance has become the official celebration of the World Day for the Archdiocese of Chicago and the Greek Orthodox Metropolis of Chicago. It is our turn to host. **Bishop Mark Bartosic** will be presiding. We will gather on August 31 at 7:00pm, there will be prayer, hospitality, and a lecture. Please consider coming.

This week school starts. I cannot wait to see all the kids. I pray this coming school year is the best!

**Fr. Patrick Mugisho SJ** has been a frequent presider at our liturgies while attending graduate school. Due to an urgent need back in his province, Fr. Patrick must take leave. He will be the new principal of the Jesuit High School in the Congo. Thank you, Fr Patrick, and God's blessing, as you begin your new ministry.

May your week be blessed!

Fr. Jerry Boland

### Knights of Columbus

#### Silver Rose Event

3:00pm Friday, Aug. 22

Share the message of Our Lady of Guadalupe and promote Respect For Life by participating in this meaningful pilgrimage at Our Lady of Perpetual Help Church.

The Silver Rose Program demonstrates the unity between Knights of Columbus in Canada, the United States, and Mexico, through a series of prayer services promoting the dignity of all human life and honoring Our Lady.

This is the fourth year that the Father Dussman Council of the Knights of Columbus is privileged to steward the Silver Rose, joined with other councils along routes from Canada to Mexico.

Each stop the Silver Rose makes throughout the pilgrimage is a rosary-centered occasion for Knights, parishioners, and community members to pray for respect for life, for the spiritual renewal of each nation, and for the advancement of the message of Our Lady of Guadalupe.

### The Order of Christian Initiation of Adults (OCIA)

#### Formerly RCIA

Classes for **OCIA** (the Order of Christian Initiation of Adults) will begin this Fall.

OCIA is a program designed for individuals who are discerning their call to the Catholic faith. Whether you're unbaptized, baptized in another Christian tradition, or a baptized Catholic seeking full communion with the Church, OCIA provides a structured path to explore, understand, and embrace the teachings of Catholicism.

OCIA is more than just learning about Catholic doctrines, it is transformative; it's a time of spiritual growth, self-discovery, and conversion. By the end of the process, you'll be prepared to fully embrace the Catholic faith, not just intellectually, but in your heart and soul.

For more information, please email **Rev. Roy Belocura** at [rbelocura@olphglenview.org](mailto:rbelocura@olphglenview.org) or click the QR Code to fill out a Google form questionnaire.

Classes will take place weekly at the OLPH Parish Center. **The first class is scheduled for 6:00pm, October 1, 2025.**

This year we will discuss:  
The Gift of Years: Growing Older Gracefully

**Sr Joan Chittister OSB**

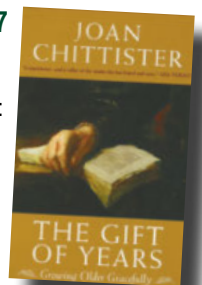

Joan Chittister, one of the most celebrated spiritual writers, invites us to embrace older age as a natural part of life that is both active and contemplative, productive and reflective, and deeply rewarding. She encourages us to cherish the blessings of aging and to overcome the challenges.

I've had the opportunity to hear her speak on several occasions. She is inciteful and refreshing to hear.

Fr Jerry read the book and found it helpful.

You don't have to be OLD to get insights out of this book.

*Trusting in God in Life's Twists and Turns: The Conversions of St. Ignatius Loyola with Fr. Michael J. Graham, SJ*

This retreat offers a sacred space to explore the ways in which life's detours and disruptions are not obstacles, but invitations—callings to trust, to grow, and to deepen our relationship with God. Through guided reflections rooted in Ignatian spirituality, personal prayer, and quiet contemplation, we will consider how God is present in the unexpected, gently guiding us toward a future filled with grace.

*A Retreat with St. Peter: Growing from Sinner to Saint with Fr. Michael Sparough, SJ*

Experience the Spiritual Exercises by taking a deep dive into the life of Simon, named Peter, the rock, by Jesus. Just as he has two names, he also has two distinct sides to his personality. He is gentle, but bold; foolish, yet wise. Together we'll pray about what it means to belong to a Church that is larger than the sum of its members.

### The Grace of Silence

Bellarmino Jesuit Retreat House maintains an atmosphere of silence so that you can hear God's voice speaking the words your soul longs to hear. These days are God's gift to you, a graced time for you to spend with the Lord. If you are not accustomed to being silent on a retreat, we guarantee that you will find it restful and refreshing!

While silence in your retreat at Bellarmine involves not talking to each other, it is more than that. It means quieting yourself on the outside and the inside so that you can be totally present to God.

Silence helps us let go of the preoccupations of the past and the anxieties about the future so that we can discover our deepest desires. It is in these deepest desires that God speaks to our souls and opens up new possibilities for our lives. Let God give you this special gift of time with Him in the new year.

*The Spiritual Exercises in Everyday Life*

**BELLARMINE**  
Jesuit Retreat House

**October 10, 2025 -  
March 20, 2026**  
*A Virtual Retreat with  
Fr. Bill Creed, SJ*

This virtual retreat is facilitated by Fr. Bill Creed, SJ and led by Louis Savary's *The New Spiritual Exercises* in the Spirit of Teilhard de Chardin. Join us as we journey through the *Spiritual Exercises* of St. Ignatius, praying the Scriptures, reflecting on our invitation to be missionary disciples. This retreat calls you to love as Jesus loved, face challenges with courage and compassion, grow in greater awareness, and trust in the slow work of God. Through reading, prayer, reflection, and small group discussion, open yourself to deeper union with God's presence, discernment, and action.
