CATHOLIC CHURCH

WELCOME TO OUR PILGRIMAGE SITE

seek, share, rejoice - pastor's letter...

Fr. Jerry Boland, Pastor

Dear Parishioners,

"O Lord you have been our refuge."

This beautiful psalm is the responsorial for this weekend. It speaks to me in a special way because the Annual Block Party is the unofficial birthday of our parish. For many generations, Our Lady of Perpetual Help has been a refuge. A place where children have been educated and formed, young couples have been married, the

active formation of the adult community, our outreach to the world, a place we have worshipped God and a place where we found comfort when we were suffering or grieving.

It was a fateful day in October 1919 when **Cardinal Mundelein** appointed **Fr. Martin Schmidt** to found a parish at the corner of Church and Grove Streets in Glenview, Illinois. From a small farming community to a thriving suburban community, we have indeed found Our Lord as our refuge. Happy 106th Anniversary OLPH!

We enter the future empowered by encountering refuge of the Lord. We celebrate this anniversary aware of God's blessings. Nothing is perfect but we have much to celebrate as we reflect on our mission and our vitality.

Without your faithful and generous support, little could be accomplished. With your faith and the faith of those before us we move forward! Indeed, Our Lord has been our refuge.

We are still reeling from the tragedy at Annunciation School in Minneapolis. We must continue to hold in our prayers the victims who were murdered, the many who were injured and the long road ahead for those who have been traumatized by this senseless act of violence. As we pray, we must reflect on ways as a society we can provide more resources for those who struggle with mental health concerns. We must have the resolve to enact sensible gun safety laws. No one law or resource will end violence, but we must start somewhere.

I have been participating in several conversations with the staff to review our current protocols. We will never be 100% safe but certainly can become a safer place. One of our projects in the capital campaign, "Generation to Generation" is to invest in the safety infrastructure. We will be expediting these recommendations.

In the aftermath of September 11th, life changed here in this country as we all had to adapt to many safety procedures. How we boarded a plane, a train, entered certain buildings. We all had to concede some of our personal liberties for the greater good. The inconveniences have become part of living in society.

In the coming weeks we will be enacting some changes regarding access to our buildings and the way we enter and exit. We will soon be installing panic bars on all the Church doors. Some days with school and Religious Education we can have well over a thousand children on campus. We are going to be implementing some procedures to enhance a perimeter of safety for them.

I will keep you informed as these changes take effect. I will need your patience and support as we strive to make OLPH as safe as possible. We need to protect everyone, especially our children, who must deal with issues that would have been beyond my comprehension at their age. I am especially grateful to **Dr. Amy Mills** and **Erin Bretts** for their invaluable insights.

The Holy Father has pleaded that all Catholic communities assist the desperate situation in Gaza. The starvation and suffering of the Palestinians is beyond words. The Archdiocese has asked that a second collection be taken up at all the parishes for Catholic Relief Services that has become a vital partner in the humanitarian efforts to reach out to those afflicted. We will be contributing through our First Fruits program. If you would like to make an additional contribution, please write a check to the parish and put "Gaza Relief" on the memo line. Let us continue pray for end to this dreadful war.

The next semester of Scripture Study is around the corner. Our Scripture Study program has become the crown jewel of our efforts to better understand sacred scripture. This semester's theme is "The Gospel of Luke." There is still time to register. See the Bulletin for more information.

There was a beautiful celebration of **Sr. Joan's** life this past Thursday at the Motherhouse in Milwaukee. May she rest in peace!

We are still taking pledges to the capital campaign, "Generation to Generation". We are just shy of the 7.3-million-dollar mark! Thank you for your amazing sacrifices. About 4 million of the money pledged remains at OL.

Hope to see you at the Block Party!

Sr. Joan Schumacher

**We are saddened to inform
you of the passing of
Sr. Joan Schumacher.**

Here is a message from Fr. Jerry:

Dear Parishioners,

*It is with a heavy heart that I share
with you that Sr. Joan Schumacher
has passed away.*

*She was beloved here and spent
much of her religious life as a School
Sister of St. Francis here at OL. For
many years she taught art in our
school.*

*In true Franciscan tradition she loved
animals. If there ever was a "dog
whisperer" it was Sr. Joan. She was
a great cook and as one parishioner
told me, she was delightfully sassy!
In recent years she faithfully greeted
and hugged students arriving for
school in the morning.*

*I am so sorry for her family and
Sr. Paulanne who grieve her death
especially.*

May She Rest in Peace.

Fr Jerry Boland

We invite all parishioners to

Scout Troop 57

Hello OLPH Parish,

I want to sincerely thank you all for your incredibly generous support of my Eagle Scout Project over the past two weekends. Together, we raised a total of **\$2,788**, with **\$2,133 coming just from the bake sale** - what a huge success! This amount is far more than I ever imagined we could raise.

This past weekend, with the help of volunteers, **we built raised flower beds** as part of my project. After covering the costs of materials, more than **\$2,000 will be donated to the Evanston Ecology Center**. The Ecology Center has been a vital part of my Scouting journey, offering programs and merit badge opportunities that supported both my Eagle Project and the experiences of many others in our troop. Thanks to your generosity, the Center will be able to continue providing these opportunities for Scouts in the future.

I am also profoundly grateful to everyone who contributed their time, talents, and resources-whether by baking, working the bake sale, making donations, or coming out to support the project. I honestly could not have done this without the amazing support of this parish and our troop.

I sincerely thank you all from the bottom of my heart!

This year we will discuss: *The Gift of Years: Growing Older Gracefully*

Sr Joan Chittister OSB

Joan Chittister, one of the most celebrated spiritual writers, invites us to embrace older age as a natural part of life that is both active and contemplative, productive and reflective, and deeply rewarding.

She encourages us to cherish the blessings of aging and to overcome the challenges.

"I've had the opportunity to hear her speak on several occasions. She is inciteful and refreshing to hear. Fr. Jerry read the book and found it helpful. You don't have to be OLD to get insights out of this book." - Fr. Jim Barrett

Generation to Generation Campaign Update as of August 31, 2025

This a remarkable achievement and once again reflects the generosity and commitment of our faith community. We are still accepting pledges and would love to expand the base of participating parishioners.

Music Ministry

INSTRUMENTALISTS AND SINGERS OF ALL AGES NEEDED

Anytime is a great time to join one of the choirs and help continue to build the Music Ministry at Our Lady of Perpetual Help Church. This is a wonderful opportunity to serve God and the Parish through sharing your gifts of music and song. And it promises to be a lot of fun as well!

The following groups are all directed by our music director, **Russell Stern**. New members are always welcome and encouraged to join throughout the year.

The Adult Festival Choir

- We sing at the 9:00am Mass on Sunday (and sometimes other Masses) until the first week of June. We also sing for Holidays and special occasions. All singers are welcome.
- Rehearses in the church on Tuesday evenings from 7:30-9:00pm in the Church. **The first rehearsal is on Sept. 9.**

The 10:30 Mass Ensemble

- Sings at the 10:30am Mass throughout the year.
- All singers are welcome and instrumentalists are encouraged to audition.
- The singers rehearse in the church on Tuesdays from 7:30-9:00pm. **The first rehearsal is on Sept. 9.**
- Instrumentalists rehearse prior to the Mass or as needed.

The Teen/Young Adult Ensemble

- Sings approximately once a month at the Sunday 5:00pm Mass and for Christmas, Easter and other special occasions, until early June.
- Students grade 7 through young adult are welcome.
- No audition required for singers. Instrumentalists are encouraged to audition.
- Rehearsals are in the church before the Mass at which they are singing, and sometimes on Tuesdays, 6:45pm (depending on the teen's availability).

The Children's Choir

- Sings once a month, either at the 9:00am or the 10:30am Mass from October through Mothers Day. They also sing at the Christmas Eve 3:00pm Mass, and on Easter.
- 1st thru 7th grade children are welcome.
- Rehearsals are in the church on Tuesdays, **starting September 16, from 5:45-6:30pm**

Cantors

- Cantors are auditioned from the choir and are then trained. They are scheduled to sing for 1-3 Masses a month depending upon the church's need and the cantor's availability. A Schola Cantorum made up of our cantors will sing periodically at the Saturday 5:00pm Mass.

To volunteer, or for more information, please contact Russell Stern at rstern@olphglenview.org or you are welcome to just show up to one of the rehearsals listed above, at any time. Thank you for your consideration!

Scripture Study

Fall Scripture Study - The Gospel of Luke

The gospel of Luke presents a compassionate and inclusive portrait of Jesus, while giving special attention to prayer, the work of the Holy Spirit and the joy of salvation. It begins with the foretelling of John the Baptist's birth and continues through Jesus' public ministry, passion, death, resurrection and ascension. Unique to this Gospel are powerful parables like the Good Samaritan and the Prodigal Son.

As you journey through Luke's account, you will encounter Jesus in a new way and discover how his teachings fit into your life today!

All are invited to join this profound 8-week study.

Dear Sisters and Brothers in Christ,

Daily, we hear heartbreaking stories of suffering from Gaza. So many innocent victims, including those who belong to Christian communities, face violence, dire living conditions, and hunger. Our Holy Father Pope Leo has said "Gaza is starving," as he called for a cease fire. In a particular way, the faces of Gaza's hungry children make an indelible impression on our hearts.

Perhaps we feel helpless to address this complex story that involves international players. There is, however, a pathway for us to respond. Two very reliable agencies of the Catholic Church are already there providing vital emergency humanitarian relief and medical and psychological care for the sick, malnourished, and wounded. They are the Catholic Near East Welfare Association (CNEWA) and Catholic Relief Services (CRS).

On the weekend of September 6-7, the parishes of the Archdiocese of Chicago will take up a special collection that will be promptly forwarded to CNEWA and CRS.

Whatever you can give will go far to alleviate the suffering of our brothers and sisters in the Middle East. I know the compassion and generosity of the people of the Archdiocese of Chicago. In the name of all those who will benefit from your support, I thank you.

Finally, let us pray urgently for the gift of peace in our wounded world, a peace which only the Lord can give.

Sincerely yours in Christ,

Archbishop of Chicago

OLPH will be supporting these efforts to help victims in Gaza through our First Fruits program during our regular collection on the weekend of Sept. 6-7. If you would like to make a separate donation, please click on the QR Code posted here or through this link: archchicago.org/supportgaza

This retreat offers a sacred space to explore the ways in which life's detours and disruptions are not obstacles, but invitations—callings to trust, to grow, and to deepen our relationship with God. The Grace of Silence

Bellarmino Jesuit Retreat House maintains an atmosphere of silence so that you can hear God's voice speaking the words your soul longs to hear. These days are God's gift to you, a graced time for you to spend with the Lord. If you are not accustomed to being silent on a retreat, we guarantee that you will find it restful and refreshing!

While silence in your retreat at Bellarmine involves not talking to each other, it is more than that. It means quieting yourself on the outside and the inside so that you can be totally present to God.

Silence helps us let go of the preoccupations of the past and the anxieties about the future so that we can discover our deepest desires. It is in these deepest desires that God speaks to our souls and opens up new possibilities for our lives. Let God give you this special gift of time with Him in the new year.
