PREPARE THE WAY OF THE LORD!

Luke 3:4

seek, share, rejoice - pastor's letter...

Fr. Jerry Boland, Pastor

Dear Parishioners,

"Prepare the Way of the Lord!"

These words from the prophet Isaiah say it all about the spiritual journey of Advent. This beautiful time of the year is all about getting ready, preparing ourselves, reconciling ourselves to the redemptive promise of Jesus Christ.

These Advent days are filled with many levels of preparation.

There are decorations to be displayed, gifts to be bought, Christmas greetings delivered and family traditions to be observed.

Beneath all these activities prompts the question, "Why are we doing all this? We are invited into the deeper meaning of the Advent journey. How am I getting ready spiritually? Am I taking time each day to reflect on my own preparation? Have I sought to reconcile myself to others, to God? In this season of gift giving, have I reflected on the gifts that God has given me? Am I being generous with my time, my treasure to make this time of year better for others. How is the "patience" thing going? This can be a particularly stressful time, and it can easily get the best of us.

Preparation for the coming of the Lord is both a blessing and a challenge. These Advent days will pass very quickly. I came across another resource you might find helpful. Fr. Michael Sparough SJ, a son of Glenview and on the staff of Bellarmine Retreat House, is offering a wonderful series of Advent/Christmas reflections each week until the Epiphany in January. It is available on the Heart-to-Heart website: <https://htoh.us/>. You can sign up on the website. The week of December 22 will feature our parishioner **Erin Maiorca**, the Director of Bellarmine.

Our communal reconciliation service is on Dec. 10 at 7:00pm here at OLPH. We will be joined by St. Catherine Laboure and St. Norbert/Our Lady of the Brook parishes.

By now you should have received a copy of our Annual Parish Report. Please read it when you get a chance. It tells a great story of all that we were able to accomplish last fiscal year because of your faithful and generous support. If you did not receive a copy, click on the QR Code or go to our website and click on the "Explore Our Parish" menu.

In preparation for the pastor transition process, the Parish Pastoral Council, under the leadership of the transition process, **Sara Carsten**, produced a profile of the parish that gives the Placement Board and potential candidates a picture of the life and vitality of our parish. If you would like to see a copy of it, click on the QR Code or again go to our website and also click on the "Explore Our Parish" menu.

Looking for some Christmas gift ideas for others or yourself? Why not consider joining our parish trip, "Glories of Ireland"! We will be visiting the Emerald Isle, July 19-30, 2026. There is more information about the trip in the bulletin. Our parish trips are so much fun, and we see so much. This is a fantastic itinerary. We will be having an information meeting on January 6. You can get more info by calling TWT Travel at, 1-847-432-2400. Give it some thought, the first Guinness is on me!

McDonnell Hall is in the home stretch of the renovation process. We recently did a Fireside Chat on the scope and the progress of the project. Check it out! You can see it on the homepage of our website: olphglenview.org.

All of Chicagoland needs to thank our parishioners, **Jody and Ryan Mason** for donating the official Chicago Christmas Tree in Millennium Park. It was officially lit on Nov. 21. This 68-foot tree will bring untold Christmas joy to hundreds of thousands of people. Thanks to the Mason Family, the tree is spectacular.

This past Thanksgiving was fantastic; I want to thank hundreds of people who donated food to the Sharing Room. A special shout out to the Jewel in Heatherfield that organized their annual Turkey Dinner Drive. With the generous support of so many, we were able to provide about 80 complete Turkey Dinners to families in need. Special thanks to **Sr. Paulanne** who pulls it all together. Thanks to OLPH school for a fantastic food drive. Also, thanks to a great group of Glenbrook South Students who organized their own food drive. You are all awesome!

Men's Club, what can I say? The first ever Glenview Gobble was a blast! Thanks to everyone who helped make it happen.

May your Advent Journey be blessed,

Fr. Jerry Boland

Rock of Cashel ... Blarney ... Killarney ... Ring of Kerry ... Galway ... Cliffs of Moher ...
Kylemore Abbey ... Knock ... Derry ... Giant's Causeway ... Titanic Museum ... Dublin

We are planning a pilgrimage of faith and journey of discovery to the Emerald Isle. From the cradle of Irish Christianity at the Rock of Cashel, we follow in the footsteps of St. Patrick from the place where he baptised Ireland's king to his grave in Downpatrick.

The Ring of Kerry, Cliffs of Moher and Giant's Causeway are examples of Ireland's stunning scenery. We experience Irish culture at Blarney Castle, Bunratty Folk Park, Kylemore Abbey and Trinity College with the Book of Kells. All this and so much more!

There will be an informational meeting with **Fr. Jerry, Mary Ann Spina** and a representative from Trans World Travel on:

Retirement Fund for Religious

OLPH supports the Retirement Fund for Religious by contributing to the Archdiocesan collection for this purpose, which will take place the weekend of December 13 & 14. We do this as part of our parish First Fruits Program, in lieu of taking up a second collection.

As a reminder, the first 6% of each weekly and holyday offertory collection is set aside for our First Fruits Program. Instead of taking up certain second collections, OLPH splits this 6% among our four sharing parishes and five named Archdiocesan second collections over the course of the year.

This Archdiocesan second collection for our retired Religious priests, brothers, and sisters, is one of the second collections funded through our First Fruits Program.

If you choose, however, to make a separate gift, there is a button open on the GiveCentral OLPH portal for this purpose or click on the QR Code..

Let us also remember to pray in thanksgiving for the many religious order priests, brothers and sisters who have touched our lives over the years.

seek, share, rejoice - 2025 ai forum...

A Report from Abroad

2025 Builders AI Forum in Rome — a gathering of Catholic educators

On November 6–7, I had the privilege of joining the 2025 Builders AI Forum in Rome — a gathering of innovators, theologians, and business leaders hosted by the Pontifical Gregorian University. As someone who has worked with AI tools in several industries, it was inspiring to be with Faith-filled experts from around the world, committed to championing good uses of AI.

The Forum opened with Mass in St Peter's Basilica, which rooted us in the heart of our Faith before we discussed new and challenging questions humanity faces today. I was moved by the letter we received from **Pope Leo XIV** reminding us that every human invention reflects the creative power God has entrusted to us, and that we must guide technology to serve human dignity and the common good. "AI," he wrote, "*carries an ethical and spiritual weight, for every design choice expresses a vision of humanity.*"

In our Working Group on Education, one message especially resonated with me: **Parents are the first educators of their children, even in the age of AI.** Together with grandparents and other adults, we can help our children use AI safely and responsibly by:

- **Forming minds before relying on machines**
Children grow in imagination, attention, and critical thinking through ordinary things: talking with us, reading together, playing, and asking questions.
- **Modeling healthy tech habits**
How we use our phones, social media, and AI tools teaches more than any rule we set.
- **Teaching caution**
AI can be helpful — but it shouldn't be the "expert." We can show how to pause, question, and double-check AI-generated answers.
- **Encouraging good uses of AI**
At home, in school, and in daily life, we can welcome technologies that help people — and thoughtfully push back on those that diminish dignity, well-being, or relationships.
- **Protecting what makes us human**
Creativity, empathy, curiosity, and good judgment can't be downloaded. They grow through family time, friendships, prayer and real-life experiences.

Let us, as families of faith, champion the good uses of AI — and be role models in using technology with purpose, wisdom, and compassion.

Blue CHRISTMAS
OUR LADY OF PERPETUAL HELP

A Service for Hope and Healing
7:00pm Wednesday, December 17
hosted by
St. Norbert & Our Lady of the Brook
1809 Walters Ave. Northbrook, IL
All are welcome!

What is a Blue Christmas Service?

Blue Christmas Services are often held near Dec. 21 (the longest night of the year) as solace for those who do not find Christmas a happy event. This may include those who are mourning the death of a loved one or a divorce; those who are suffering from illness, addiction, or estrangement; those who are lonely, struggling financially, or simply those with hard memories of Christmas's past. Whatever the reason, this service acknowledges that God still loves us and continues to be the light of the world even if we struggle to rejoice.

On December 17, 2025, the Catholic Community of Glenbrook (Our Lady of Perpetual Help, St. Catherine Labouré, St. Norbert & Our Lady of the Brook), will be offering a Blue Christmas Service again this year. This year's event will be held at St. Norbert & Our Lady of the Brook Parish. No registration is required and there is NO fee. All are welcome.

The service will be facilitated by certified spiritual director, Paula Kowalkowski, and will consist of reflective prayer and music. The service is a gentle reminder that we are never alone and that there is always hope.

Brief background of Paula Kowalkowski:
Paula Kowalkowski has worked as a music educator on the high school and college level for over 30 years. She is currently the Music Director at St. Thomas Becket Church in Mount Prospect. Most recently, she received a Certificate in Spiritual Direction with an emphasis on Ignatian Spirituality from the Midwest Jesuit Province. She has facilitated programs and retreats at Bellarmine Jesuit Retreat House in Barrington Illinois.

And the Word was made Flesh

Daily Reflections for Advent and Christmas

Advent is an ideal time to stop and ponder some of the wondrous mysteries of the Incarnation. We invite you to join us daily as we pause and contemplate the significance of "God becoming flesh" and to remember the essence of our celebration—the miraculous gift of Jesus, Emmanuel, who embodies God in human form.

Our short daily reflections are a mixture of Sunday videos from **Fr. Michael Sparough, SJ** and weekday audio reflections from other gifted Catholic storytellers.

The series runs from the first Sunday of Advent (November 30) to Epiphany Sunday (January 4).

Each week of the series, two different speakers, a mixture of priests and Catholic lay men and women, will be sharing audio reflections on the incarnation.

ARCHDIOCESE OF CHICAGO

PARISH CONSULTATION AT OUR LADY OF PERPETUAL HELP

Upon the retirement of **Father Jerry Boland** in July of 2026, **Cardinal Cupich** will be appointing a new pastor to Our Lady of Perpetual Help Parish. The process of selecting that priest involves a great deal of prayer, research, discernment and discussion.

One of the important groups in this process is the Priest Placement Board (PPB). This group advises Cardinal Cupich on candidates for pastor based on the talents and skills of the priest-candidates in light of the strengths and challenges of the parishes in the pastor pool.

The PPB is composed of nine priests of the Archdiocese of Chicago who serve full-time as pastors or associate pastors; one of the members is retired. The work of the PPB is directed by **Fr. Michael Knotek**, the Vicar for the Professional and Pastoral Development of Priests who does this work full-time along with the ongoing formation for priests.

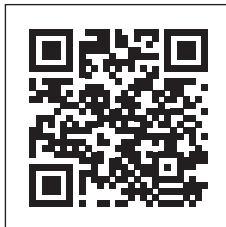

In order to gain wisdom from parish staff and parish leaders about the skills and talents needed in your next pastor, the PPB will be conducting a Parish Consultation at OLPH on November 18, 2025. Two members of the PPB will facilitate two meetings, one with the staff and the other with the Parish Council Members and Finance Committee. These discussions are very important to give the Priests Placement Board insight about OLPH and the capabilities needed in your next pastor.

The wisdom from the parishioners is also extremely important in the pastor selection process. To gather that wisdom, a form is now available to parishioners to answer questions which the staff and lay leadership will also address in their discussions.

The preferred method for collecting parishioner responses will be through the digital form.

To access the digital form, go to <https://forms.office.com/r/zbGdu1tkx5>

Or click on this QR Code:

For any parishioners who would rather use a paper form, forms will also be placed in pews at Mass.

These parishioner input forms will continue to be gathered until January of 2026.

The discernment process leads up to a two day meeting in early March of 2026 whereby Cardinal Cupich gathers all of the input from the Parish Consultations and meets with the Vicar General, all the Auxiliary Bishops, the Priests Placement Board members, and other key personnel at the Archdiocese to make his decision about who he will appoint to be the next pastor of OLPH as well as pastors for the other parishes in the pastor pool this year.

Please pray for the continued guidance of the Holy Spirit to help identify the next pastoral leader of Our Lady of Perpetual Help Parish.

A Peek at our ~~W~~Week

We officially launched our **Warrior Well-Being** program recently. It is dedicated to nurturing the social, emotional, physical, and mental well-being of our students, staff, and families. We launched the program with a dynamic presentation by Ben Tracy on online safety, engaging both parents and students in grades 5–8. The session was incredibly well received, and it set the tone for what's ahead. We're thrilled to continue expanding our efforts with the support of two school counselors, a comprehensive SEL curriculum, and additional featured speakers throughout the year.

Advent has begun!

Advent is here! As a school community, we begin this sacred season with hearts full of hope and a renewed desire to prepare for the coming of Christ. This week, Assistant Principal Lori Parsek visits with every K–3 homeroom to lead a beautiful Advent wreath ceremony, reminding our youngest learners of the light and love we await. Each morning, Sr. Paulanne lifts our school in prayer over the PA, and one student shares the Advent action of the day. Whether offering a kind compliment, helping a classmate, or praying for those in need, our children are embracing the call to serve others as we wait in joyful anticipation for the birth of Jesus.

Ham donations are welcome and can be delivered any Sunday morning before Christmas. Please deliver these donations to the Sharing Room.

Hearing Assistance available in OLPH Church and McDonnell Hall

OLPH has a hearing loop installed. Users with a **t-coil in their hearing aids** can listen to the sound system directly. Check with your hearing care professional to determine whether your hearing aid or cochlear implant has a t-coil.

Please note that while the hearing loop can be accessed in both the main church and McDonnell Hall, both spaces cannot access the hearing loop at the same time. For example, at the 9:30am Sunday Mass when services are held concurrently in the main church and McDonnell Hall, the hearing loop can only be accessed in the main church.

For best results in the church, please sit in the front half of the church. The hearing loop may not be effective in the the back of the church, in the side pews, or in the Lady Chapel.

For those with a hearing device that does not have a t-coil, or if you simply would like to hear the service better, **FM based Assistive Listening Devices (ALD's) are available to borrow.** Please plan to arrive for Mass a few minutes early to find Sr. Paulanne or an usher to access an ALD.

Note: An FM based ALD uses radio waves to conduct sound that is broadcast through the microphone.

Instructions for an FM based ALD

1. Remove any hearing aid that you may be wearing
2. Turn on the ALD device
3. Place the ALD ear piece in your ear
4. Adjust volume as necessary

Return all borrowed equipment to Sr. Paulanne after Mass.

For questions about using the hearing loop or ALD, please feel free to contact parishioner **Jean Draths**.
phone: 847-287-5564 or email: jeandraths@gmail.com
