# seek, share, rejoice - pastor's letter...

Fr. Jerry Boland, Pastor

Dear Parishioners,

*"Who ever eats this bread will live forever."*

"And now the end is near", I have been channeling **Frank Sinatra!** This weekend marks an ending and a beginning.

Forty-five years ago, I was ordained a priest and have had the blessing of spending 12 of those years with you as your pastor. It has been the honor of my life.

I have had so many wonderful experiences and adventures in my priesthood. Some one asked me how many baptisms and weddings have you presided over? Thousands! I have shared in moments of such joy and fought through the tears when life was painful and unfair. "But through it all" as the song goes, I found the strength.

When we set the date for my retirement celebration, I didn't realize that it would be on Corpus Christi weekend. When I made the connection, I felt much of my anxiety and stress about all this lifted. I can't think of a better way for a priest to retire than to mark this moment as the Universal Church celebrates the Solemnity of the Most Holy Body and Blood of Christ.

My priesthood and my faith have been grounded in the Eucharist. I have had the privilege of "breaking the bread and sharing the cup" in every stage of my priesthood.

Although I am retiring from administration, I am not retiring from the priesthood. I will continue to break the bread and share the cup, remaining active in priestly ministry.

Eucharist means thanksgiving. I am overwhelmed with the reality of thanksgiving at this moment of transition. Thank you for being such a part of my journey. I am grateful beyond words!

Thanks again for everything!

Fr. Jerry Boland

## Campus Safety Update

### New doors and window coverings

Under the direction of **Fr. Jerry Boland**, we are continuing to improve the safety of our campus.

This past week, new break-resistant window coverings were installed on the exterior windows of our Parish Center. The process will continue with school windows next week.

Also, new more secure doors have been installed in the Parish Center. The installation was underway while this Bulletin was going to print. See the photos (right) to see the process.

We were able to obtain funds for this project through a **State of Illinois Security Grant**. Thank you to **Mary Lynne Januszewski**, our Director of Finance & Operations, for her hard work in obtaining this grant.

We will keep you updated of other projects as we progress through the summer. Our campus will have a lot of activity happening during the next couple of months. Things never slow down at OLPH!

...just waiting for doorknobs, but they look great!

## Teen Board Car Wash

Thank you!

Thank you to everyone who came to get their car sparkling clean at the Teen Board Car Wash.

**Fifteen of our teens participated and we exceeded our goal of \$750.**

Thank you to all the OLPH teens that helped organize and worked hard washing cars.

We reached our financial goal and will now use the donated funds by providing meals to less fortunate in the area.

# Summer Food Drive

School is almost out for summer and our kids are excited for all their favorite summer activities!

*Yet 1 in 4 families with children in the Chicago area face food insecurity, and this hardship significantly intensifies during the summer months when school-provided meals are no longer available.*

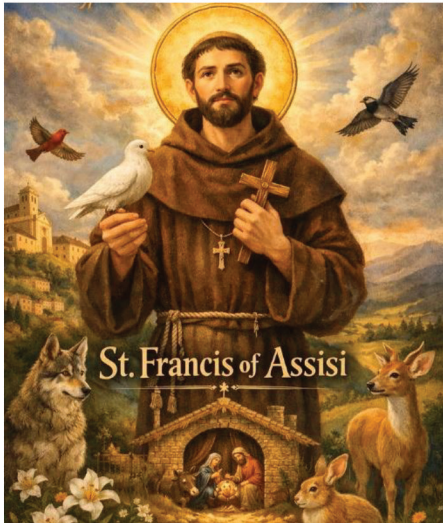

You can help us address this need by bringing non-perishable food items to church each week throughout the summer.

Items can be placed in the bins at the entrances to church, or children can bring them up during the offertory at mass.

If you would like to make a one-time or weekly donation for the purchase of food, please scan to visit Give Central.

## SUMMER with ST. FRANCIS!

In January, the Catholic Church entered a **Special Year of St. Francis**, proclaimed by **Pope Leo XIV** to commemorate the **800th anniversary of the death of St. Francis of Assisi**. Spanning from January 10, 2026, to January 10, 2027, this jubilee year invites Catholics around the world to **pause, reflect, and return to the radical simplicity, humility, and peace** that defined Francis' life.

St. Francis is one of the most beloved saints in the Church. He is the **patron of animals, ecology, and merchants**, the **founder of the Franciscan Order**, the saint who gave us the **first Nativity scene**, and a man whose love for all of God's creation continues to inspire believers and non-believers alike. Yet this jubilee is not merely a celebration of his accomplishments. It is an invitation to **live his spirit anew**, especially in a world deeply in need of healing.

### Why St. Francis, and Why Now?

The timing of this Special Year is striking—particularly for the United States. As our nation approaches its **250th anniversary**, many Americans are reflecting on who we are, where we have been, and where we are going. It is a moment marked by gratitude and hope, but also by division and uncertainty. In this context, St. Francis' witness feels profoundly relevant. Francis lived in a time of political conflict, social inequality, and spiritual confusion. He did not respond with anger or withdrawal. Instead, he responded with **conversion of heart**, choosing **peace over power, poverty over prestige, and love over fear**. His life reminds us that true renewal—whether personal, national, or global—begins not with control, but with **humility**. This Special Year of St. Francis is not about looking backward with sentimentality. It is about renewal—of families, schools, parishes, communities, and nations. It calls us to care for creation, to encounter the poor with dignity, to rebuild relationships fractured by pride or fear, and to trust that peace begins with small, faithful acts.

### Get to know St. Francis this summer

Starting this month, our parish will begin rediscovering St. Francis through excerpts from St. Bonaventure's book *The Life of Francis* published weekly in the Bulletin. This book is both a biography and an enlightening and inspiring spiritual treatise that reflects profoundly on the virtues which Francis lived and preached as the ideal of Gospel perfection. May this Special Year of St. Francis help us rediscover that living a life of simplicity, humility, and peace is not merely the ideal—it is a vocation. And may we, like Francis, have the courage to live it.

Look for the Summer with St. Francis column in upcoming Bulletins. Have a blessed Summer! *The Way*
