Holy Saturday Blessing of Easter Foods

11:30am Holy Saturday, April 8

We invite you to join in **Swieconka**, the Slavic Easter celebration.

In this service, foods traditionally eaten for breakfast on Easter Sunday are blessed.

Choose your favorite basket to fill with:

Eggs - a symbol of new life and the resurrected Christ

Ham - an acknowledgement of the New Law, putting aside the Old Law which forbade the eating of pork

Lamb - made of butter or cake dough, symbolizing Christ as the Sacrificial Lamb

Horseradish - a reminder of Christ's suffering and the bitter herbs offered Him on the cross

Salt - symbolizing wisdom needed in our daily lives

Bread - the essence of nourishment for our bodies and the appearance under which Christ is present

This joyful celebration draws people from all over the area and it is a great way to kick off the Easter Celebration following the solemn observance of the Lord's passion on Good Friday.
