

OLPH WOMEN'S CLUB CLOSET

The Women's club closet is located behind the stage in McDonnell Hall. This closet is kept locked. When you have a guild event coming up, please contact me to get items from the closet.

The rectory office has a key to the closet. Once you have cleared your request with Liz, you can get the key directly from the rectory if needed.

Attached is the current inventory of your items in our closet. We have many things that can be used for your event. It is important to check the supply closet prior to purchasing or renting items. It should be noted that the church and school also use items from our closet and there is a demand at times for our inventory so please give a two week notice.

Please return the cleaned items within a week.

Thank you
