

GLENVIEW ROAD ENTRANCE

We plan to enhance the Glenview Road parking lot entrance to ensure all church and school visitors feel welcomed. The renovations will include inviting signage and attractive landscaping, creating a prominent entryway along Glenview Road.

SISTER PAULANNE'S SHARING PARISH LEGACY GIFT

We are committed to continuing our support for our Sharing Parishes by donating \$25,000 to each:

St. Sabina, St. James Church, Mother of the Americas and St. Josephine Bakhita. These contributions will help sustain their vital community programs and services. We recently celebrated 40 years with our sharing parishes and plan to make these gifts in honor of Sister Paulanne who initiated and sustained this ongoing partnership over 40 years ago.

REFURBISH OUR PEWS

Our pews, which have served us for decades, are showing signs of wear. Refurbishing them will provide a more comfortable and aesthetically pleasing worship environment. By restoring the pews, we can maintain the church's beauty and ensure a welcoming space for our congregation.

ARCHDIOCESE OF CHICAGO

OUR LADY
OF PERPETUAL HELP
CATHOLIC CHURCH
1775 GROVE STREET
GLENVIEW, IL 60025

Dear Friends in Christ,

Our Lady of Perpetual Help is participating in the Generation to Generation: Answer the Call campaign, along with every parish within the Archdiocese of Chicago. This campaign is an opportunity to strengthen our local parish and support the broader Chicago Catholic community by spiritually renewing our parishes, supporting our priests and assisting parish communities in need.

I am fully supportive of this campaign and encourage your participation to join with the faithful from across the Archdiocese of Chicago who are helping to ensure our local church is strong and vibrant for generations to come. With the OLPH share of the funds raised in the campaign, we plan to create a Hospitality Center, upgrade the Glenview Road entrance, address campus accessibility and security needs, refurbish church pews, replace school A/C units, and provide gifts to Sharing Parishes.

Please take a moment to reflect on the impact of the Generation to Generation: Answer the Call campaign. Your pledge will significantly benefit our parish, church, and community. As your pastor, I encourage you to embrace this wonderful opportunity and join me in praying for the campaign's success.

God's blessing to you,

Fr. Jeremiah Boland

Enhanced Goal:
\$6,000,000

Parish Share:
\$3,682,500

Archdiocesan Share:
\$2,317,500

Our Parish Roots

Begun in 1907 as a mission church of St. Joseph in Wilmette, Our Lady of Perpetual Help, Glenview, was established as a permanent parish in October of 1919. The growth of the parish and the construction of the campus, led by Fr. Dussman, coincided with the growth of Glenview's population, following the Great Depression. Today, under the leadership of our pastor, Fr. Jeremiah Boland, this vibrant parish continues to thrive, serving 3,000 families and including the largest Catholic grade school in the archdiocese, with 800 students. OLPH can be considered an intergenerational parish, where many families choose to remain from generation to generation, building their faith on past foundations, while creating a vision for the future and living out the Gospel of Jesus through prayer, sacraments, ministries and outreach.

.....GENERATION
TO GENERATION:
ANSWER THE CALL.....

Our Share of the Funds

Through the Generation to Generation: Answer the Call campaign, we will not only play a significant role in this historic moment in the church's history, but we will also support new and exciting projects at our parish. Through much prayer, planning and conversation, we have identified our greatest needs and initiatives to strengthen our mission and vision for years to come. With our share of the funds raised – 50% of contributions up to \$3,725,000 (Archdiocese Set Parish Goal), 80% of anything from \$3,725,000 to \$7,450,000 (twice the Archdiocese Set Parish Goal) and 100% of any amount raised beyond \$7,450,000 – we plan to address the following projects, depending on funds raised through the campaign:

HOSPITALITY CENTER

We would like to build a Hospitality Center in the unfinished area of the first floor, at the north end of the parish center. This space will serve as a welcoming area for parishioners to gather after mass and share faith, meals and ideas, as well as for simple social gatherings. The Hospitality Center will become the host site for ministry meetings and other faith-based groups as it will feature a kitchenette and lounge area. The goal is to create a warm and inviting environment that fosters community and spiritual growth.

ENHANCED CAMPUS ACCESSIBILITY

We would like to install two elevators on the parish campus to enhance accessibility for students and parishioners. One elevator will be located in the Playdium, while the other will be installed at the main entrance of the Lexington building, providing easy access to the gym and school. This project aims to ensure that all members of the community can navigate the campus comfortably and independently.

UPGRADED CAMPUS SECURITY

To enhance student safety across campus, we will install secured second-tier entrance doors in our school buildings. We will also create a secured visitor entrance in the Lexington building. This measure aims to ensure the safety of students, staff and visitors by monitoring entry points and deterring unauthorized access. By implementing this system, the parish is committed to creating a secure and protected environment for the entire community.

AIR CONDITIONING FOR OUR SCHOOL

Providing replacement air conditioning units for approximately 30 school classrooms is essential to maintaining a comfortable and conducive learning environment for students. This upgrade will improve focus, health and overall well-being, especially during warmer months. Investing in these new air conditioning units ensures our children and staff have the best possible conditions for success.

Gifts to Generation to Generation will be held in separate, restricted accounts and used solely for the specific priorities set forth in the Generation to Generation campaign case statement as well as this parish case statement. The campaign goals are approximate and based on anticipated needs and contributions.
