

OUR LADY OF PERPETUAL HELP CHURCH

Dear Parishioners,

It is with a heavy heart that I share with you that Sr. Joan Schumacher has passed away.

She was beloved here and spent much of her religious life as a School Sister of St. Francis here at OL. For many years she taught art in our school. In true Franciscan tradition she loved animals. If there ever was a “dog whisperer” it was Sr. Joan. She was a great cook and as one parishioner told me, she was delightfully sassy! In recent years she faithfully greeted and hug students arriving for school in the morning.

I am so sorry for her family and Sr. Paulanne who grieve her death especially.

May She Rest in Peace.

Fr Jerry Boland
